This Hospital has both single rooms and small wards. All commissioned officers of the three services, serving, retired or ex-temporary, are eligible for admission.

A number of ward beds are set aside for serving officers who are entitled to free nursing and maintenance. Extra charges are kept to the minimum, and are constantly reviewed. The ability of the patient to pay is always considered.

The Hospital is mainly for surgical and medical cases, and has its own Medical Officer (from whom subscribers can obtain preliminary advice without charge), a Physiotherapist, and an X-ray apparatus.

The Hospital has its own consultant staff whose fees are in accordance with the patients' means, on a scale approved by the Council. Patients may, however, still make their own arrangements with any physician, or surgeon of their choice, if they so desire.

The Hospital has been disclaimed by the Minister of Health and is therefore entirely dependent on voluntary support. Subscribers are asked to pay one pound yearly by banker's order, which can be obtained from the Hon. Appeals Secretary, Commander Sir Jameson Adams, K.C.V.O., C.B.E., D.S.O., R.N.R., 15, Ormond Yard, Duke of York Street, S.W.1, who also will be pleased to receive donations.

Orphan children of men of the Royal Naval Reserve, Royal Naval Volunteer Reserve, or of other men who lose their lives on active service under the Admiralty, are also eligible for acceptance.

THE NORE R.N. & R.M. CHILDREN'S TRUST

(FORMERLY PEMBROKE HOUSE, THE NORE, R.N. & R.M. CHILDREN'S HOME)

Patron—HER MAJESTY THE QUEEN

President—THE COMMANDER-IN-CHIEF, THE NORE

Vice-Presidents—THE COMMODORE, R.N. BARRACKS, CHATHAM
COLONEL W. S. NORTH, ROYAL MARINES

THE children of the Trust are being sent to, and supported at, various homes and schools, and the Pembroke House building itself has been closed. This step has been taken in view of the rising cost of maintaining the Home and the declining number of children requiring it, which together raised the cost per child to a figure commensurate with education at a good boarding school.

The Trust Charity Fund continues to provide for the fatherless and motherless children of men of the Royal Navy and Royal Marines, and ensures them a practical training; to maintain, clothe and educate them to earn their own livelihood. Every effort is made to secure good situations for them on leaving the care of the Trust.

All denominations are accepted, and orphans of men of the Royal Naval Reserve and Royal Naval Volunteer Reserve who have lost their lives whilst on duty in the Royal Navy are equally eligible with men of the Royal Navy. Age for admission, 5 to 12 years.

The extent of the good work of the Trust depends on voluntary contributions, and all donations will be gratefully received. Donations and correspondence should be addressed to: The Secretary, The Nore R.N. & R.M. Children's Trust, Royal Naval Barracks, Chatham.

(Plean, Stirlingshire)

A Home at Plean, Stirlingshire, for old men in good health, a preference being normally given to those who have served in the Navy or Army.

The Home is situated within its own policy grounds of some 15 acres, and on a bus route about 5½ miles from Stirling.

To qualify for admission to the Home, it is not necessary for applicants to provide any clothing, or to contribute towards the cost of their maintenance. If they are in receipt of the Old Age Contributory Pension or of any other form of pension or private means, they must surrender the Old Age Pension, or its equivalent, to be employed by the Trustees as part of the revenue of the Home, but they will be allowed to retain any balance for their own personal use. Subject to this, their entire maintenance, including board and clothing, is provided free of cost by the Trust. The present practice, which the Trustees reserve power to vary or discontinue at any time, is to give each man an allowance of tobacco and pocket money.

Applications for admission to the Home, or for further particulars, should be made to the Treasurer:—A. BURN-MURDOCH, W.S. 10, ATHOLL CRESCENT, EDINBURGH, 3

BOYS HELPED TO GO TO SEA

The purpose of this Charity is to help poor boys of good character to go to sea, either by making grants towards their pre-sea training, their outfit of uniform on going to sea, or by giving advice when needed on the most suitable steps for a boy to take with the object of ultimately going to sea in the Royal or Merchant Navies. Apart from Local Educational Authorities the Marine Society is by far the largest benefactor on these lines. Nearly 400 boys were helped to make the sea their career during the year 1952.

NAVAL OFFICERS' WIDOWS AND ORPHANS

The Marine Society also administers two funds, namely, the Hawkins Trust for the relief of widows of Naval Officers, Lieutenants and above, and the Kelly Holdsworth Trust for the benefit of widows or orphans of naval officers of and above the rank of Commander (Executive Branch). Applications for grants from these funds should be made annually during the months of May and November respectively.

HICKES TRUST

A small sum is also available for distribution annually under the Hickes Trust for helping to fit poor girls to useful trades.

Further information, and advice on how to go to sea in the Merchant Navy, can be obtained from the Secretary, who will also gladly acknowledge contributions at

KITCHENER MEDICAL SERVICES SCHOLARSHIPS

Medical Services Scholarships, for which the money is provided by the Services, are awarded annually by competitive selection (*a*) to sons of officers and men or women, or of ex-officers and men or women, of the Regular Forces or (*b*) to sons of officers and men or women, or of ex-officers and men or women, of the Reserve and Auxiliary Forces who served in the Great War of 1914–18 and/or the World War of 1939–45, who are over 17 and under 20 years of age on 1st January of the year of application (but the Committee may consider applicants over 20 who had before that age begun an approved medical course) and who require financial assistance to enable them to undergo a course of medical education with a view to obtaining commissions in the Medical Branches of the Royal Navy, Army or Royal Air Force.

The Scholarships are limited in number, at present to five each year, of which two are for applicants for service in the Royal Navy, two for the Army and one for the Royal Air Force. The value of each Scholarship is dependent on the financial resources of the scholar's family. The Scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission under the current Regulations in the Medical Branch of the Service for which he was selected and that, if granted such a commission, he will render not less than five years' actual service on full pay; if, however, he does not continue in the Service and serve for at least fifteen years, the money spent by the Service on his Scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications can be received only in January or February of each year, and must be made on an application form obtainable as below.

Further details of these and other Kitchener Scholarship for University courses for sons of Service parents may be obtained on application to

The Bank with the Naval Tradition

Our experience of Navy matters goes back to 1772, when the firm of Stilwell & Sons was first founded. The business was later absorbed in the Westminster Bank, but its tradition of service to the Royal Navy goes on. At our Navy Branch in London we are able to combine the expert knowledge of the old-time Navy Agent with the wider experience of a great modern bank. In consequence we provide, here and at all our branches throughout the country, an efficient and friendly banking service for officers and men of the Royal Navy and for their wives and families as well

PERMANENT COMMISSIONED OFFICERS OF THE ROYAL NAVY AND ROYAL MARINES.

NEW CODE

1. The following is a summary of the provisions of the new retired pay code.

2. It applies to permanent commissioned officers who were retired on or after 1st September, 1950. If it is to their advantage, officers serving on the active list on 6th March, 1946, will be allowed to receive, in respect of the rank held on that date, the retired pay or gratuity terms prescribed under the old code instead of those prescribed under the new code. It does not apply to officers holding temporary or short service commissions. Ex-R.N.R. and R.N.V.R. officers granted permanent commissions in the R.N., either under regulations in force before the 1939 war, or under current regulations, are now eligible to receive the new rates as are Short Service Air Branch officers accepted to complete time for retired pay.

No increment is, however, payable in respect of service as Lieutenant-Colonel until seven years after the date of promotion to Major.

up to a *maximum* of £795.

For service short of 22 years, there will be deductions from £500 at the normal rate as for a Lieutenant-Commander.

CONDITIONS OF AWARD OF RETIRED PAY OR GRATUITY

4. Qualifying Service

Eligibility for retired pay or gratuity is dependent on the completion of the following minimum periods of qualifying service, reckoned in accordance with paragraph 12 (a) below.

Retired pay.

On retirement for a cause other than invaliding or under para. 11 (b) .. 20 years
on invaliding .. 10 years

Retired pay may however be awarded on completion of not less than 15 years' reckonable service, on compulsory retirement only,

(a) To officers who necessarily entered, in the interest of the Service, at an age above the normal and have in consequence not completed 20 years' qualifying service at the time of their compulsory retirement for age or non-employment.

(b) To officers promoted from the lower deck provided that they have not less than 22 years' service (including ratings service in full) from first entry or age of 18, whichever is the later.

Gratuity

On retirement for a cause other than invaliding (para. 9), or under para. 11 (c) .. .. ten years

Digitized by Google

5. Conditions necessary for award of full standard rate.

(a) Compulsory retirement

Subject to the following conditions regarding length of service and service in the rank, retired pay at the standard rate is payable to an officer either—

(i) compulsorily retired on reaching the age limit for service in the rank and Branch
or
(ii) compulsorily retired before reaching the age limit, by reason of it having been decided that he will not be further employed or promoted.

(b) Service in the rank

An officer who retires for any cause other than invaliding must have completed the following periods of full pay service in the substantive rank to qualify for retired pay appropriate to the rank—

(i)	Admiral or General, R.M.	one year
(ii)	All other officers (except as in (iii)	two year
(iii)	Commanders and Lt.-Cdrs. from Branch List and equivalent R.M. Officers ..	one year

If an officer has less than the prescribed period of service in the rank, his retired pay will be based on the highest rank for which he is so qualified.

(c) Service from age 21

To qualify for the full standard rate, officers must have completed the following periods of service from age 21, reckonable in accordance with para. 12 (b) below.

Rear-Admiral, Major-General, R.M., or above ..	30 years
Captain, R.N., after six years' service in the rank, or Colonel, R.M.	28 years
Captain, R.N., with less than six years' service in the rank or Lieutenant-Colonel, R.M.	26 years
Commander, R.N., or Major, R.M.	24 years
Lieutenant-Commander, R.N., or Captain, R.M. ..	22 years
Lieutenant, R.N., or R.M.	20 years
Senior Commissioned Officer } Branch { ..	20 years
Commissioned Officer .. } List {	20 years

6. Deductions for service short of the standard periods.

Where the total service given is less than the period, according to rank, prescribed in paragraph 5 (c), the rate of retired pay otherwise admissible will be reduced by one deduction, at the following rates, in respect of each year or part of a year of the deficiency :—

Rate of retired pay	Deduction for each year or part of a year by which total service falls short of the period specified in paragraph 5 (c)
Above £1,000 a year	£50 a year
£1,000 and above £600 a year	£30 a year
£600 and above £400 a year	£20 a year
£400 and above £300 a year	£15 a year
£300 and above 200 a year	£10 a year
£200 and below	£5 a year

Where, after a deduction has been made, the net remaining rate of retired pay is less than the minimum appropriate to the rate of deduction, any further deductions will be at the next lower rate. For example, if the standard rate of retired pay is £675 a year but under the above conditions four deductions are to be made, the first three deductions would be at £30 a year, and the next one at £20 a year; thus the net rate of retired pay would be £565 a year.

7. Voluntary Retirement

(a) Officers who are allowed to retire at their own request, within two years of the date on which they attain the compulsory retiring age for their rank and branch, will receive the rate of retired pay for which they are eligible by rank and service that would have been payable on compulsory retirement in the circumstances set out in paragraph 5 (a) above.

(b) The rate of retired pay payable to an officer who is permitted to retire at his own request, except as provided in sub-paragraph (a) above, will be the rate which he would have received on compulsory retirement at the age-limit for service in his rank and branch reduced by one deduction on the scale shown in paragraph 6 above for each year or part of a year by which his age falls short, by more than two years, of that age-limit, with a further deduction of ten per cent. of the resultant figure.

8. Terminal Grants

(a) Officers retired from the Active List on or after the 1st September, 1950, and awarded retired pay under the regulations applicable from that date, will be awarded terminal grants in addition to retired pay under the following conditions.

(b) The standard rate of grant will be £1,000, irrespective of rank.

(c) Twenty years reckonable service as defined in para. 12 (b) will be necessary for the full grant. An officer retired with less than twenty years' reckonable service will be awarded one-twentieth of the standard rate for each year of reckonable service.

(d) An officer retired at his own request with retired pay, more than two years before reaching his compulsory retirement age, will have a deduction of ten per cent. made from the grant admissible under (b) above.

(e) An officer in receipt of retired pay under earlier regulations will not be eligible for the grant.

(f) An officer can receive a grant once only.

(g) The grant will be free of income tax.

9. Gratuities

(a) Gratuities at the following rates will be payable to officers on the General List holding permanent commissions who are allowed to retire voluntarily, or are compulsorily retired otherwise than for unsuitability, incapacity or misconduct, but have insufficient service to qualify for retired pay. The rate of gratuity is the same for officers of all Branches.

For each year up to the tenth inclusive, and for each year in excess of ten rendered before 6th March, 1946	£100
For each year in excess of ten rendered after 6th March, 1946 (subject to a maximum of £2,350) ..	£150

Officers transferred from the Reserves or from temporary service will not be eligible for gratuities on voluntary retirement unless they have rendered ten years' service from the date of transfer to the permanent list.

(b) Branch Officers and officers promoted therefrom (other than Branch Officers promoted direct to the General List) permitted to retire at their own request with insufficient service to qualify them for retired pay, may be granted a gratuity on the following scale, subject to the completion of a minimum period of ten years' actual service from the age of 18.

(*a*) *Rating Service*	
For each year of reckonable service in excess of five years up to ten years	£10
For each year of reckonable service in excess of 10 years	£25
Subject to a maximum for ratings' service of	£200
(*b*) *Officer Service*	
For each year of reckonable service as Commissioned Officer, Branch List (formerly Warrant Officer) ..	£75
For each year of reckonable service as Senior Commissioned Officer, Branch List (formerly Commissioned Officer from Warrant Rank)	£100
For each year of service as Lieutenant or above, Branch List	£100

2. A Branch Officer with sufficient service to qualify for an award of retired pay, or for an award of pension on the ratings' scale (with special rank increments for service as officer), will not be eligible for an alternative award of gratuity on the foregoing scale.

3. Voluntary retirement with a gratuity on the scale laid down in sub-paragraph (b) will be allowable at the discretion of the Admiralty in exceptional circumstances only.

10. Officers Invalided

(A) *Officers with a minimum of ten years' qualifying service will be granted retired pay as follows* :—

(*a*) An Officer with 20 or more years' qualifying service will receive the rate of retired pay for which he would have been eligible by rank and service had he been compulsorily retired.

(*b*) An Officer with less than 20 but more than ten years' qualifying service will receive retired pay as follows :—

(i) *General List Officers.*—From the retired pay for which he would have been eligible under (*a*) above had he completed 20 years' qualifying service and retired in the rank of Lieutenant-Commander, Royal Navy, or Captain, Royal Marines; or his substantive rank, if higher; a deduction will be made of twice the amount referred to in paragraph 6 for each year or part of a year by which his qualifying service falls short of 20 years.

(ii) *Commissioned Officers (Branch List) and Officers promoted therefrom other than Branch Officers promoted to the General List.*

Commissioned Officer.—£180 a year for ten years' reckonable service with an addition of £12 for each further complete year of service. A Branch Officer who has not ten years' reckonable service will be entitled, if he has 12 years' actual service, to an invaliding pension on the rating scale, with special rank elements for service in the rank of Commissioned Officer (Branch List) or higher rank as follows :—

Commissioned Officer	2/9 a week
Senior Commissioned Officer	3/3 a week
Lieutenant	4/- a week

Senior Commissioned Officer.—£210 a year for ten years' reckonable service with an addition of £14 for each further complete year of service.

Lieutenant and above.—From the rate of retired pay for which he would have been eligible under (*a*) above had he completed 20 years' qualifying service, a deduction will be made of twice the amount referred to in paragraph 6 for each year or part of a year by which his qualifying service falls short of 20 years.

(B) *Officers with less than ten years' qualifying service.*

(i) Commissioned Officers (General List) with less than 10 years' qualifying service, will receive service gratuities at the rate of £100 for each year of such service.

(ii) Branch Officers with less than ten years' qualifying service and with insufficient service to qualify them for ratings' pension, will receive gratuities at the rate of £75 for each complete year of qualifying service.

If an officer's unfitness when invalided is due wholly or in part to his own negligence, or to causes within his own control, the grant and amount of retired pay or gratuity will be at the discretion of the Admiralty.

(c) An Officer with between 15 and 10 years' qualifying service may be awarded a gratuity on the scale applicable to officers retired voluntarily. „ eight „ „ „	525
„ nine „ „ „	600

Officers retired for causes within their own control.

(d) An Officer retired on account of incapacity, unsuitability, etc., due to causes within his own control, but not amounting to misconduct, with at least 20 years' qualifying service may be awarded retired pay at the discretion of the Admiralty, not exceeding the award payable had he retired voluntarily.

(e) An Officer retired on account of incapacity, etc., due to causes within his own control, with between ten and 20 years' qualifying service may be awarded a gratuity at the discretion of the Admiralty not exceeding the amount which could have been awarded had the officer retired voluntarily.

(i) It is within the discretion of the Admiralty to award a gratuity or compassionate gratuity in lieu of retired pay or compassionate allowance to an officer retired for a cause within his own control, or retired for misconduct, or dismissed the service.

12 Reckoning of Service

For the purpose of the grant or assessment of retired pay or gratuity full pay service on the Active List will reckon as follows :—

(a) for determining qualification for retired pay or gratuity, and for assessing rate of gratuity, all commissioned service as defined in (c) below ;

(b) for determining the rate of retired pay and the amount of the terminal grant, only service subsequent to the officer's 21st birthday (subject to (d) and (e) below) ;

(c) service counts as commissioned service for the purpose of (a) and (b) above as follows :—

(i) *In full* : Service as Acting Sub-Lieutenant ; Second Lieutenant, Royal Marines not below the age of 20 ; Branch Officers, R.N. and R.M. ; and above ;

(ii) *In half* : Service (not below the age of 18) as Midshipman or Cadet ; Second Lieutenant, Royal Marines under the age of 20 ; and in ranks below Commissioned Officer (Branch List) R.N. and R.M.

(d) In determining the rate of retired pay, sufficient service reckoning in half under (c) (ii) above may be taken into account to produce a notional date of commencement of reckonable officer service not earlier than the 21st birthday.

(e) An Officer promoted to Acting Sub-Lieutenant or Second Lieutenant R.M., during the period of hostilities, August, 1914, to November, 1918, may reckon his service from date of promotion for both (a) and (b) above.

13. Reckoning of Service—General Rules

(a) *Continuity of Service.*

Except as provided hereunder only continuous active list service on a permanent commission on full pay reckons for retired pay.

(b) *Reckoning of previous or non-continuous service.*

Previous active list service on permanent, short service, or other commission or engagement, may be taken into account provided :—

(i) there has not been a break in service of more than five years. The Admiralty may, however, at their discretion, take into account previous service notwithstanding a break exceeding five years provided that they are satisfied that the officer has been, for any excess over the five years, a member of a Reserve Force undertaking regular training ;

(ii) No gratuity (other than war gratuity) was paid to the officer on termination of the former service ; or if any such gratuity was paid, or the officer were entitled to such gratuity, arrangements satisfactory to the Admiralty are made for its repayment to the Admiralty.

(c) *Previous Army or Air Force Service.*

Previous service in the Army or Air Force may be taken into account as though it were Naval service in equivalent rank or rating.

Digitized by Google

(d) *Training Periods.*
Training periods on full pay, except individual periods of less than six months, may be taken into account as full pay service.

(e) *Half-Pay Service.*
Periods on unemployed full pay or on the intermediate rate of unemployed pay, or on half-pay before 1st Aug., 1938, not following the sentence of a Court Martial or the expiration of full pay sick leave, will reckon as service in full up to a maximum of six months in any one period or two years in all. Any such service not reckoning in full under the above rule reckons as a third subject to a maximum of six years such service reckoning as two.

(f) *Service in appointments not remunerated from Naval Funds.*
The Admiralty may, at their discretion, allow to reckon as service for retired pay, service in appointments not remunerated from Naval Funds which, the Admiralty is satisfied, are appointments which may be properly held, in the interests of the Naval service, by a Naval officer on the Active List during and as a part of his Naval career, to which the officer is required to bring Naval knowledge and experience, and from which he is considered by the Admiralty to acquire experience of value to his Service.

14. **Rank**
Only full pay substantive rank on the Active List will be taken into account in assessing retired pay under the New Code, except that :—
(a) For officers substantively promoted to a rank before 1st July, 1946 (or in the case of officers compulsorily retired from the former Royal Indian Navy before 31st December, 1947), periods of service in Acting Rank between 3rd September, 1939, and 30th June, 1946 (30th December, 1947, in the case of ex-R.I.N. officers), may be reckoned towards the minimum qualifying periods of service in that rank ; and service as Acting Captain, R.N., up to 31st Oct., 1954, inclusive, may reckon towards the requirement of six years service as Captain irrespective of the date of substantive promotion.
(b) Service in Acting Rank one step above substantive rank up to the 31st Oct., 1954, inclusive, may nevertheless count for increments of retired pay under the conditions laid down in A.F.O. 3149/52.

15. **Effect of National Retirement Pensions on Retired Pay**
Officers who (a) enter the Royal Navy on or after the 1st July, 1949 (except Dartmouth Cadets who, although not actually in the Service on the 1st July, 1949, nevertheless had at that date had an undertaking given on their behalf that they would make the Royal Navy their career) and (b) re-enter on or after the 1st July, 1949, after a break in service, except those who re-enter within 12 months of being invalided or those who have already been granted service retired pay before re-entry, will have a deduction made from their service retired pay at the rate of 4d. a week for each year of service ; subject to a maximum of 16/- a week ; which will take effect from the date on which an officer attains the age of 65 and becomes entitled to a National Retirement Pension. No adjustment of service retired pay will, however, be made in the case of officers living outside the United Kingdom and not in receipt of National Retirement Pensions.

GRATUITIES IN RESPECT OF SHORT SERVICE COMMISSIONS

1. An officer granted a short service commission in the Royal Navy after the 19th December, 1945, under conditions which provide for the payment of a gratuity, may, on satisfactory completion of the full period of Active List service he has undertaken, be granted a gratuity as follows :—

(a) (i) Medical Officers—on completion of four years' service £600
(ii) Dental Officers—on completion of four years' service £500

(iii) Officers with previous flying experience on Extended Service or Short Service commissions or in the Air Branch of the R.N.V.R., re-entered on Short Service commissions as Pilots or Observers will receive a gratuity at the rate of £175 for each year of Short Service, except that an officer who volunteered and was accepted for eight years service on the Active List will receive a gratuity of £1,500 on completion of that period. (A.F.O. 1458/52).
(iv) Officers entered as Upper Yardmen and promoted to officer and granted Short Service Commissions for Pilot or Observer duties will receive a gratuity of £1,500 on completion of eight years Short Service (A.F.O 908 /53).

(For further details of these gratuities, including the eligibility for gratuities of officers who do not complete the full period of service for which they engaged, see the above mentioned Fleet Orders).

2. An officer who fails to complete the full period of Active List service which he has undertaken may nevertheless be awarded a gratuity as follows :—

(a) If his service is terminated on account of disability not due to causes within his own control, or for non-employment, or for unsuitability or inefficiency not due to causes within his control, or if his service is terminated at his own request within six months of the completion of the full period of Active List service he has undertaken to give, he may be granted a gratuity proportionate to the length of Active List service he has actually completed.

(b In other circumstances, no gratuity will be payable unless he has completed at least one years' satisfactory service. If his service is thereafter terminated owing to disability due to causes within his own control, or to inefficiency or other cause within his own control but not amounting to misconduct, or if his service is terminated at his own request more than six months before the conclusion of the period he has undertaken to give, he may be allowed, at Admiralty discretion, such gratuity as may be determined, but not exceeding three quarters of the amount proportionate to the length of his actual service on the Active List.

(c) If his service is terminated on account of misconduct, the award of a gratuity will be at Admiralty discretion, but the award will not exceed 90% of the gratuity which could have been awarded had his service been terminated at his own request.

3. No short service gratuity will be payable in the event of the death of an officer before the completion of the period of Active List service he has undertaken to give.

4. If an officer serving on a short service commission continues on full pay beyond the period of Active List service which he has undertaken, payment of the gratuity may be deferred until the end of such further service. No additional gratuity will, however, be payable in respect of the period of extended service, unless special provision for such further payment is made.

5. A short service commissioned officer granted a permanent commission will not be eligible for any gratuity in respect of his service on a short service commission, but such service may count towards an ultimate award of retired pay or gratuity as a permanent officer. If, having received a gratuity in respect of short service an officer is granted a permanent commission, his previous service will not be reckonable towards an ultimate award of retired pay or gratuity as a permanent officer unless satisfactory arrangements are made for the refund of the Short Service Gratuity.

6. A regards officers granted short service commissions in the Educational Branch of the Royal Navy who have within a year previously been in contributory service under the Teachers (Superannuation) Acts, the full amount of the employers and employees contributions required to maintain their entitlement to superannuation allowance or gratuity under those Acts shall be deducted from any gratuity payable to the officer on termination of his service.

PERMANENT COMMISSIONED OFFICERS OF THE WOMEN'S ROYAL NAVAL SERVICE.

1. **RATES.** The full rates of Retired Pay will be as follows :—

Commandant or Superintendent (after six years)	£670 a year
Superintendnent	£585 a year
Chief Officer	£450 a year
First Officer	£340 a year
Second Officer	£270 a year

CONDITIONS OF AWARD OF RETIRED PAY OR GRATUITY

2. **QUALIFYING SERVICE.**

Eligibility for retired pay or gratuity is dependent on the completion of the following minimum periods of qualifying service reckonable in accordance with paragraph 9 below.

Retired Pay.

On retirement for any cause other than invaliding	twenty years
On invaliding	ten years

Retired Pay may, however, be awarded on completion of not less than 15 years' service, on compulsory retirement only

(a) To officers who necessarily entered, in the interest of the Service, at an age above the normal, and have in consequence of late entry not completed 20 years' qualifying service at the time of their compulsory retirement for age or non-employment.

(b) To officers promoted from rating provided that they have not less than 22 years' service (including rating's service in full) from first entry or age of 18, whichever is the later.

Gratuity.

On compulsory retirement for age or non-employment or on retirement at own request (see also paragraph 7 (b) below) .. .. ten years

3. **Conditions necessary for award of full standard rate.**

(a) Compulsory retirement.

Subject to the following conditions regarding length of service and service in the rank, retired pay at the standard rate is payable to an officer either—

(i) compulsorily retired on reaching the age limit for service in the rank, or

(ii) compulsorily retired before reaching the age limit by reason of it having been decided that she will not be further employed or promoted.

(b) An officer who retires for any cause other than invaliding must have completed two years' full pay service in the substantive rank to qualify for retired pay appropriate to the rank. If an officer has less than the qualifying period of service in the rank, her retired pay will be based on the highest rank for which she is so qualified.

Digitized by Google

(c) Service from age 21.

To qualify for the full standard rate, officers must have completed the following periods of service from age 21, reckonable in accordance with paragraph 10 below.

Commandant Superintendent (after six years' service in the rank)	28 years
Superintendent (with less than six years' service in the rank)	26 years
Chief Officer	24 years
First Officer	22 years
Second Officer	20 years

Note.—So long as the compulsory age for retirement in this rank remains at 40, no Second Officer will be able to qualify for the full standard rate of retired pay.

4. Deductions for service short of the standard periods.

When the total service given is less than the period, according to rank, prescribed in paragraph 3 (c) the rate of retired pay otherwise admissible will be reduced by one deduction, at the following rates, in respect of each year or part of a year of the deficiency :—

Rate of Retired Pay.	Deduction for each year or part of a year by which the total service falls short of the period specified in paragraph 3 (c).
Above £600 a year	£30 a year
£600 and above £400 a year	£20 a year
£400 and above £300 a year	£15 a year
£300 and above £200 a year	£10 a year
£200 and below	£5 a year

Where, after a deduction has been made, the net remaining rate of retired pay is less than the minimum appropriate to that rate of deduction, any further deductions will be at the next lower rate. For example, if the standard rate of retired pay is £340 a year but under the above conditions four deductions are to be made, the first three deductions would be at £15 a year and the fourth at £10 a year; thus the net rate of retired pay would be £285 a year.

5. Voluntary Retirement.

(*a*) Officers who are allowed to retire at their own request, including those retiring on marriage, within two years before the date on which they attain the compulsory retiring age for their rank, will receive the rate of retired pay for which they are eligible by rank and length of service that would have been payable on compulsory retirement in the circumstances set out in paragraph 3 (*a*) above.

(*b*) The rate of retired pay payable to an officer who is permitted to retire at her own request, including retirement on marriage (except as provided in sub-paragraph (*a*) above), will be the rate which she would have received on compulsory retirement at the age limit for service in her rank reduced by one deduction on the scale shown in paragraph 4 above for each year or part of a year by which her age falls short by more than two years, of that age-limit, with a further deduction of ten per cent. of the resultant figure.

6. Terminal Grants.

Officers will be eligible for terminal grants in addition to retired pay, under the same conditions as apply to officers of the Royal Navy, but the standard rate of the grant will be £650.

7. Gratuities.

(*a*) Gratuities at the following rates will be payable to officers who are allowed to retire voluntarily or are compulsorily retired otherwise than for unsuitability, incapacity or misconduct, but have insufficient service to qualify for retired pay.

On completion of not less than ten years' service	£650
For each complete year of service in excess of ten years, a further	£100
Subject to a maximum of	£1,550

(*b*) A gratuity will not be payable on voluntary retirement unless the officer has held a permanent commission for five years, as well as ten years' qualifying service.

(*c*) On compulsory retirement for non-employment on the completion of five years' qualifying service, a gratuity of £325 will be payable.

(*d*) Officers transferred to the permanent list from an extended service engagement,

(i) if compulsorily retired through no fault of their own before qualifying for gratuity or retired pay as officers of the permanent service, or

(ii) if retired for marriage within three months after marriage, after the end of the period of their extended service engagement,

will remain eligible for a gratuity at the rate of £50 for each year's service on an Extended Service Commission before 24th November, 1948, and at the rate of £65 a year for each year of extended service after that date. Officers who retire for marriage within three months after marriage, before the end of their extended service engagement will remain eligible for an extended service gratuity at the rate of £50 for each year of such service

(*e*) Officers granted a Short Service Commission in the Meteorological Branch will be eligible on the completion of five years of such service for a gratuity at the rate of £65 a year for each year of service.

8. Officers invalided.

A. An officer invalided with a minimum of ten years' qualifying service will be granted retired pay as follows:

(*a*) An officer with 20 or more years' qualifying service will receive the rate of retired pay for which she would have been eligible by rank and service had she been compulsorily retired.

(*b*) An officer with less than 20 but more than ten years' qualifying service will receive retired pay on the following basis. From the retired pay for which she would have been eligible under (*a*) above had she completed 20 years' qualifying service and retired in the rank of First Officer, or her substantive rank, if higher; a deduction will be made of twice the amount referred to in paragraph 4 for each year or part of a year by which her qualifying service falls short of 20 years.

B. An officer with less than ten years' qualifying service will receive a service gratuity at the rate of £65 for each year of such service.

9. Retirement on account of Pregnancy, Unsuitability, Inefficiency, Misconduct, etc.

The regulations to govern the payment of retired pay or gratuity or other non-effective awards to officers placed on the retired list for pregnancy, unsuitability, inefficiency or misconduct, or to those dismissed, are under consideration.

10. Reckoning of Service.

For the purpose of the grant or assessment of retired pay or gratuity full pay service on the Active List will reckon as follows :—

(*a*) for determining qualification for retired pay or gratuity, and for assessing rate of gratuity, all commissioned service as defined in (*c*) below ;

(*b*) for determining the rate of retired pay, only service subsequent to the officer's 21st birthday (subject to (*d*) below)

(*c*) service counts as commissioned service for the purpose of (*a*) and (*b*) above as follows :—

(i) In full. Service as a Commissioned Officer.
(ii) In half. Service as a rating (not below age 18).

(*d*) In determining the rate of retired pay, sufficient service reckoning in half under (*c*) (ii) above may be taken into account to produce a notional date of commencement of reckonable officer service not earlier than the 21st birthday.

11. Reckoning of Service.

The general rules for reckoning of service will be the same as for male officers (see para 12., page 25).

Service in paid acting rank, one step above substantive rank, up to the 31st October, 1954 inclusive, will count for increments of retired pay under the conditions laid down in A.F.O. 3149/52.

12. Effect of National Retirement Pensions on Retired Pay.

Officers who enter on or after the 1st July, 1949, or re-enter on or after that date after a break in service, except those who re-enter within 12 months of being invalided or those who have already been granted service retired pay before re-entry, will have a deduction made from their service retired pay at the rate of 4d. a week for each year of service ; subject to a maximum of 16s. a week ; which will take effect from the date on which an officer attains the age of 60 and becomes entitled to a National Retirement Pension. No adjustment of service retired pay will, however, be made in the case of officers living outside the United Kingdom and not in receipt of National Retirement Pensions.

A member invalided with less than ten years' service will receive a service gratuity at the rate of £65 for each year of service.

4. Invaliding.

GENERAL REGULATIONS.

1. In calculating service for retired pay under the old code, the time of all Officers of the R.N. and R.M. while on full pay and while on unemployed full pay subsequent to 31st July, 1938, will count in full. Time on unemployed full pay prior to 1st August, 1938, on an intermediate rate, and on half-pay, will reckon as one-third of full service, subject to the proviso that such time in excess of two years after an Officer's last employment or, if promoted while unemployed, time in excess of two years, subsequent to date of promotion, will not be reckoned at all. The manner in which time is reckoned for purposes of gratuity on retirement or discharge from the Service is as indicated in the Regulations.

2. In the absence of special provisions to the contrary, service while on the Retired List does not count towards increase of retired pay nor do steps in rank on the Retired List confer any claim to increase of retired pay.

3. In the absence of special provisions to the contrary, gratuities under these Regulations will not be payable to the estate of an Officer who dies or is killed while serving on the Active List.

4. If an Officer be invalided and his unfitness be due, in the opinion of the Admiralty, wholly or in part due to his own negligence, misconduct or any cause within his control, any retired pay or gratuity

which might otherwise have been granted to him may be reduced or withheld at the discretion of the Admiralty.

5. The sentence of a Court Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, where these depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, where the half or retired pay, pension, or gratuity depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

6. An Officer placed on the Retired List under Order-in-Council of 15th August, 1941, because of unsuitability for further service by reason of incapacity, inefficiency, unsatisfactory performance of duties or other defect, such unsuitability having been held by the Admiralty to be due to causes within his own control but not of such a nature as to justify retirement for misconduct, may be granted such rate of retired pay or such gratuity within the scale provided for an Officer of such rank and service who is placed on the retired list for incapacity under Order-in-Council of 21st April, 1922, as the Admiralty, in their discretion, may think fit. The Admiralty may, at their discretion, award a gratuity of such amount as they think fit instead of retired pay, provided, however, that a gratuity shall not be awarded instead of retired pay to an Officer who would have been eligible for retired pay had he been permitted to retire voluntarily. The amount of a gratuity awarded instead of retired pay shall be within the commutation value, calculated according to the current table in use by the Pensions Commutation Board for the commutation of Officers' retired pay, of the retired pay which would have been payable had the Officer retired for incapacity under Order-in-Council of 21st April, 1922.

7. An Officer placed on the Retired List under Order-in-Council of the 11th September, 1941 by reason of an act or acts of misconduct or who through intemperate or irregular habits of life has become unfit for or is unworthy of further employment may be granted such rate of retired pay or such gratuity as the Admiralty in their discretion may think fit, provided that:—

(i) Retired pay be not granted to any Officer who would have been eligible for a gratuity only if placed on the retired list for incapacity under Order-in-Council of 21st April, 1922.

(ii) Gratuity instead of retired pay may be awarded to any Officer who could have been awarded gratuity instead of retired pay had he been retired for unsuitability under Order-in-Council of 15th August, 1941 (see paragraph 6).

(iii) The maximum rate of retired pay shall be the lower of the two following rates, viz.:—
(*a*) The rate for which the Officer would have been eligible under Order-in-Council of the 21st April, 1922, after crediting the Officer with any service lost as a result of sentence by Court Martial, less ten per cent., or
(*b*) The rate for which the Officer would have been eligible if he had been retired for incapacity under Order-in-Council of the 21st April, 1922, calculated upon the Officer's service as reduced by sentence of Court Martial.

(iv) The maximum gratuity payable shall be:—
(*a*) if the Officer would have been eligible for a gratuity only had he been retired for incapacity under Order-in-Council of 21st April, 1922, the amount of such gratuity, or
(*b*) if the Officer could have been awarded gratuity instead of retired pay had he been retired for unsuitability under Order-in-Council of 15th August, 1941 (see paragraph 6), a gratuity within the commutation value, calculated according to the current table in use by the Pensions Commutation Board for the Commutation of Officer's retired pay, of the retired pay which could have been awarded to the Officer under (iii) above.

8. An Officer who has been dismissed the Service or dismissed with disgrace by sentence of Court Martial or whose name has been removed from the list of Officers or who has been deprived of retired pay following upon the removal of his name from the list of retired officers or who has been allowed to resign his commission or warrant to avoid trial by Court Martial, may be awarded a compassionate allowance, but the grant of such an allowance and its duration, if granted, shall be entirely at the discretion of the Admiralty. No Officer may, however, be awarded a compassionate allowance in excess of the retired pay or gratuity which might have been granted to him if placed on the retired list for misconduct (see paragraph 7) and no Officer who has been deprived of retired pay in consequence of the removal of his name from the list of retired Officers may be awarded a compassionate allowance in excess of the compassionate allowance which might have been granted to him if at the date of his retirement his name had been removed from the list of Officers.

9. Nothing in paragraphs seven and eight shall confer on any person who has been removed from Her Majesty's Service any right to half-pay, retired pay or pension, compassionate allowance or gratuity.

Schedule III

MISCELLANEOUS REGULATIONS.

1. Additional retired pay or disability retired pay under these regulations shall only be awarded in respect of the degree of disablement which is certified by the competent medical authority as attributable to the conditions of service.

2. Additional retired pay or disability retired pay under these regulations shall not be granted to any Officer whose percentage degree of disablement or retirement is certified by the competent medical authority to amount to less than 20 per cent., notwithstanding that he may have been retired on account of sickness or injury attributable to the conditions of service, but any such Officer shall be entitled to receive the retiring allowance, by way of annual retired pay or gratuity if any, to which he would have been entitled if invalided for a cause not attributable to the conditions of service.

3. An Officer who is ineligible for retired pay in respect of service, but to whom disability retired pay under these regulations is awarded (except Short Service Officers of the Air Branch) shall not be entitled to receive in addition any retirin gallowance by way of gratuity, which might have been awarded to him under under any other regulations, and if any such allowance has already been paid to such an Officer before the admission of his claims to disability retired pay under these regulations, he shall be required to refund it as a condition to the grant of disability retired pay under these regulations.

4. The assessment of additional retired pay or disability retired pay under these regulations may be increased or reduced or cancelled, when it is shown to the satisfaction of the Admiralty that the disability in respect of which it was granted has increased or decreased or ceased to exist. In all cases, the disability will be regarded as having ceased to exist when it falls below 20 per cent.

5. When an Officer has been in receipt of additional retired pay or disability retired pay under these regulations for a period of five years, a final assessment of the disability may be made for the purpose of determining a permanent rate of additional retired pay or disability retired pay, unless this has already been done, provided that, in assessing the degree of disability on which the permanent additional retired pay or disability retired pay is to be based, regard shall be had to the probable degree of disability over a period of years.

6. No compensation in respect ot disability shall be payable under these regulations to any Officer, except in respect of sickness, wounds or injury on account of which he is invalided, provided that any Officer (other than an Officer retired on the half-pay applicable to his rank or an Officer to whom the provisions of Rule 7 apply) may on retirement or discharge, but not later, be granted compensation in respect of a wound or injury due to service, and is recorded on any Hurt Certificate or of which there is other satisfactory evidence and for which he has not already received an award of compensation. The amount of compensation in respect of such injuries shall be at the discretion of the Admiralty, but in determining it, regard shall be had to the scale appropriate if the Officer had been invalided therefor, to the degree of disablement persisting at the date of retirement or discharge and the cause of retirement or discharge.

7. An Officer who elects to retire voluntarily will be assumed to have waived on behalf of himself and his dependants all claims to retired pay, gratuity or other grant under these regulations in respect of either disability or subsequent death, except as may be otherwise provided in regard to widows' pensions on the ordinary scale, and will not be eligible for any such retired pay, gratuity or other grant.

8. No compensation in respect of disability shall be payable under these regulations to any Officer who is already in receipt of a wound or injury pension in respect of a wound or injury sustained before the first day of October, 1921, but, should an Officer be subsequently retired or discharged in circumstances rendering him eligible for an award under these regulations in respect of another disability, he may, at the discretion of the Admiralty and if such course be to his advantage, be permitted on retirement or discharge from the service to surrender the wound or injury pension and to receive the additional retired pay or disability retired pay appropriate to the total degree of his disablement under these regulations, provided that the additional retired pay or disability retired pay shall in no case be subsequently reduced under Rule 4 of this Schedule below the amount of the wounds pension.

9. If an Officer's unfitness when invalided, or the degree of his disability at any time thereafter when surveyed for the review of an award, be due wholly or in part to his own negligence or misconduct or to any cause within his control, any grant which might otherwise have been made to him under these regulations may be reduced or withheld at the discretion of the Admiralty.

10. Should an Officer, retired or discharged as medically unfit for further service, be suffering from two separate and distinct disabilities and be eligible in respect of one of them for a grant under the regulations of the Ministry of Pensions, and in respect of the other for a grant under these regulations, only one grant will be made in respect of both. This grant will be assessed partly under the regulations of the Ministry of Pensions and partly under these regulations, according to the proportion which the percentage of each disability respectively bears to the sum of the two percentages added together, the assessment under these regulations being so regulated, however, as to ensure that the total grant made shall be neither more than the Officer would receive if the two disabilities were dealt with as one combined disability under the regulations of the Ministry of Pensions nor less than he would receive if they were so dealt with under the regulations here set forth.

11. If an Officer be injured in circumstances which entitle him to compensation from or on behalf of a third party for the act, omission or circumstances which caused the injury, any compensation received by him may be taken into consideration in determining the amount of any additional retired pay or disability retired pay which may be awarded under these regulations, and similarly, if such compensation is received after the award of additional retired pay or disability retired pay under these regulations, it may be taken into consideration and the award under these regulations may be amended or cancelled accordingly. If in the opinion of the Admiralty, an Officer either unreasonably refuses to prefer a claim for compensation against the third party, or unreasonably accepts an inadequate amount of compensation from such party, the additional retired pay or disability retired pay may be withheld or reduced at the discretion of the Admiralty.

12. "Rank" for the purpose of these regulations means the last substantive rank held by an Officer before retirement or discharge from the Active List.

13. Where the amount of any grant payable under these regulations is dependent upon length of service, the term "service" means service as reckoned for the purpose of calculating service retired pay, except as otherwise provided in these regulations.

14. If an Officer of the Royal Navy or Royal Marines, who has been seconded for service with the Royal Air Force and while serving therein has been paid at Royal Air Force rates of pay, is disabled by an accident while flying on duty or from causes directly attributable to the conditions of service in the Royal Air Force, he shall be dealt with as under the Royal Air Force Regulations appropriate to his rank in that Force or under Naval regulations appropriate to his rank in the Royal Navy or Royal Marines, whichever would be more to his advantage, subject to the following conditions, viz.:—

(i) Where the award under Royal Air Force regulations is dependent on length of service in a Royal Air Force rank or ranks, previous service in an equivalent, or any, Naval or Marine rank shall not be taken into account.

(ii) In the event of an Officer being invalided after return to the Royal Navy or the Royal Marines, the invaliding being directly attributable to service in the Royal Air Force, the award under Royal Air Force regulations shall not exceed that to which he would have been entitled had he been invalided on the date of his ceasing full pay in the Royal Air Force.

15. A Naval or Marine Officer who has been attached to the Royal Air Force for service with the Fleet Air Arm and while serving therewith has held a temporary Royal Air Force commission, if invalided on account of sickness or injury certified by the competent medical authority to be attributable to the conditions of the service during the period of attachment shall be dealt with, for the purpose of the award of retired pay, as under the Royal Air Force regulations, appropriate to his rank in that Force or under Naval Regulations appropriate to his rank in the Royal Navy or Royal Marines, whichever would be more to his advantage, subject to the following conditions :—

(i) Where the award under Royal Air Force regulations is dependent on length of service in a Royal Air Force rank or ranks, previous service in an equivalent or any Naval or Marine rank shall not be taken into account.

(ii) In the event of an Officer being invalided after return to the Royal Navy or the Royal Marines the award as under Royal Air Force regulations shall not exceed that to which he would have been entitled had he been invalided on the date of termination of his temporary commission in the Royal Air Force.

PROCEDURE FOR PLACING OFFICERS ON UNEMPLOYED PAY, HALF OR RETIRED PAY.

1. The authority for the payment of Unemployed Pay, Half-pay, or Retired Pay, to an Officer entitled thereto is given to the Paymaster-General, without preliminary application on the Officer's part. At the time this authority is issued, the Officer is informed of the award and is provided with a form of application for payment, which should be completed and forwarded to the *Paymaster-General*, Russell Square House, Russell Square, W.C.1. The appropriate payment forms will then be issued from time to time. Special arrangements are made by the Paymaster-General where Officers propose permanently to reside abroad.

2. All inquiries as to the *payment* of the awards referred to above should be addressed to the Paymaster-General, and not to the Admiralty.

COMMUTATION OF RETIRED PAY OR OTHER PAYMENT OF THE LIKE NATURE UNDER THE PENSIONS COMMUTATION ACTS, 1871 to 1882.

The following Pensions are commutable under the provisions of the Pensions Commutation Acts, 1871 to 1882, subject to such restrictions as may be imposed :—

Retired Pay or Pensions of all Officers.

Officers' Pensions for wounds or injuries, and Disability Retired Pay.

The following are not commutable :—

Good Service Pensions.

Naval and Greenwich Hospital Pensions.

Naval Compassionate Pensions.

2. By the 2nd section of the Act of 1871, the term Officer means commissioned Officer, Branch Officer, or Subordinate Officer of the Navy; Officers of the Royal Marines are included.

3. An Officer in receipt of a permanent pension for wounds or injuries may commute the whole or part of such Pension at any time, irrespective of age, subject if he be on the Retired List to his being left with a permanent pension, including retired pay, of not less than the minimum amounts specified in paragraph 4 (*b*) (ii) or (iii), or if he be on the Active List, to his pension, together with the retired pay (if any) for which he would be eligible at the date of his application if retired voluntarily being not less than the same minimum amounts, but an Officer promoted from active service rating or from the ranks to temporary commissioned rank in the Royal Navy or Royal Marines or to temporary commissioned rank in the Royal Naval Volunteer Reserve may, however, commute up to a third of his service retired pay, subject to the amount uncommuted not being reduced below £60.

An increase of retired pay awarded under the Pensions Increase Schemes 1944/47 and 1952 is not commutable.

An applicant for commutation in receipt of Service retired pay and wounds pension will be required to commute the Pension for wounds first.

Permanent disability retired pay is commutable under the conditions applicable to Service retired pay. Permanent disability additions to Service retired pay are not commutable but for the purpose of determining the amount commutable under para. 4, Service retired pay and permanent disability addition thereto will be aggregated.

4. (*a*) No Officer will be allowed to commute any portion of his retired pay until he has attained the age of 40, unless he is certified, to the satisfaction of the Admiralty, to be permanently incapable of further active service, and in order to determine whether an Officer is permanently unfit for further service he may be required to undergo a medical survey.

(*b*) (i) No Officer will be allowed to commute more than half his retired pay if £300 or over.

(ii) No Officer will be allowed to commute so much of his retired pay if between £180 and £300 as would reduce it below £150.

(iii) An Officer whose total retired pay is less than £180 may commute an amount not exceeding £30, provided that the total amount uncommuted is not thereby reduced below £120.

(*c*) A fee of one per cent. will be charged on the amount awarded provided that such fee shall never be less than £1 1s. nor more than £10 in each case.

5. No Officer will be allowed to commute any portion of his retired pay who is holding or is about to hold any appointment under the Crown the terms of which involve the suspension of his retired pay.

6. An Officer desirous of commuting a part of his retired pay must make application on the prescribed application form which can be obtained from the Secretary of the Admiralty. An application shall be deemed to be made as on the date on which the prescribed form duly completed is received at the Admiralty during the hours of public business, but not before the date from which payment of retired pay actually commences.

An Officer who has been adjudicated bankrupt or has had a Receiving Order made against him or is indebted to public funds, must disclose the facts and circumstances at the time of his application.

7. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Pensions Commutation Board, 19 Old Jewry, London, E.C.2, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board and the Treasury.

8. The Commutation Board will require him to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination by the Medical Officer to the Board in London. Officers living in Scotland, Northern Ireland or Eire, may, if they so desire and if the Pensions Commutation Board see fit, be permitted to be examined by the Board's Medical Advisers in Edinburgh, Belfast or Dublin respectively. Officers who are engaged in exceptionally hazardous occupations are liable to be debarred from commutation.

Officers resident abroad who desire to be exempted from personal attendance may apply to the Commutation Board accordingly, stating their reasons for making the request; and their applications will be submitted to the Lords Commissioners of Her Majesty's Treasury, whose decision in the case will be final. They may be allowed to commute as a privilege provided that suitable arrangements for medical examination, etc., can be made, but it should be understood that a considerable time may elapse before payment of any capital sum awarded can be effected, especially if the applicant is residing in a distant part of the world.

Officers who intend to proceed abroad should therefore endeavour to complete all formalities before doing so. In other cases, a certain amount of time could perhaps be saved if the Officer

appointed a friend or agent in England to whom the Pensions Commutation Board could communicate the result of the application and who could then advise him by cable, if desired, in advance of the formal notification posted by the Board.

9. If an applicant neglects or refuses within a period of seven months after the date on which the application was made to furnish information, required by the Pensions Commutation Board or to attend for medical examination, no further steps will be taken by that Board without a renewed application from the person proposing to commute, and a further recommendation from the Admiralty.

10. The basis of the commutation will be the following Table, subject to an addition of years of age in the case of impaired lives :—

Age next Birthday.	Number of years' Purchase.	Present Value of the Annuity of £100.	Age next Birthday.	Number of years' Purchase.	Present Value of the Annuity of £100.

11. Applicants for commutation will continue to draw the retired pay which they have applied to commute until the date upon which the warrant for the Treasury Award is handed by the Pensions Commutation Board to the National Debt Commissioners, or until seven months have elapsed from the date upon which an application to commute was received at the Admiralty whichever is the earlier.

If the Pensions Commutation Board are unable to recommend commutation and the Treasury concur, the applicant will be informed accordingly. If the application is granted, he will be informed of the amount of money to be paid in commutation as soon as it has been fixed by the Treasury on the recommendation of the Pensions Commutation Board. The approved sum will be immediately available for payment. The applicant will, however, have the option of withdrawing his application on the payment of a fee of £2 within 30 days after the date of despatch of the Notice of Award, but, in exceptional circumstances or where the distance is so great as to make it impossible for a reply by post to be received within 30 days, the time may be extended to such a period as the Treasury directs. If the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

12. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the case of persons reported for neglect or desertion of family; of persons under stoppage of Pension by Bankruptcy Orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

13. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his retired pay or the value thereof, and to imprisonment, or fine or both.

14. Retired pay or pension commuted in whole or part is finally surrendered, in the same way that the amount received in commutation becomes the absolute property of the Officer commuting. The basis of assessing present value covers the possibility of the Officer outliving the given number of years' purchase as well of his predeceasing it.

If an Officer who has commuted a part of his retired pay is re-employed, the amount commuted will be deducted from his full pay during the period of his re-employment.

15. The Widows of Officers who commute will be granted Pensions according to the usual scale, provided :—

(*a*) That they married before the date of commutation.

(*b*) That their husbands' names were on the List of the Navy at the time of death.

(*c*) That they are otherwise eligible for Pensions.

16. The Children of Officers who commute will be granted Children's Allowances according to the usual scale, provided :—

(*a*) That they were born before date of commutation.

(*b*) That their fathers' names were on the List of the Navy at the time of death.

(*c*) That they are otherwise eligible for Children's Allowances.

17. The Pensions to Widows of Officers who marry after commutation, and the Allowances to children born after commutation will be reduced in proportion to the decrease caused in the retired pay of the Officer by such commutation.

18. The claims of Officers to be awarded Naval Pensions, Naval Compassionate Pensions, or Greenwich Hospital Pensions will not be affected by their having commuted their Pensions, provided their names are on the List of the Navy.

19. Officers who have already commuted the whole of their retired pay should report themselves by letter annually, on or shortly after the 1st January, to the Secretary of the Admiralty, or to the Commandant General, Royal Marines (for R.M. Officers) in order to ensure that their names are retained in the Navy List.

20. During a time of war an Officer who is employed on active service or is eligible for such employment will not be permitted to commute retired pay or wounds pension.

Notes.—(i) The widows and other dependants of Officers retired in the rank of Rear Admiral or Vice-Admiral under clause 6 of Order-in-Council of 4th November, 1938, and promoted on the Retired List to Vice-Admiral or Admiral, respectively, will be eligible for pensions and allowances applicable to their rank on the Retired List. (*See*, however, sub-paragraph 3 of clause 2 below.)

(ii) The widows of Captains, Engineer Captains, or Captains (E), and Surgeon Captains, whom it has been decided not to employ in a higher rank, and who have been retired on reaching or approaching the top of their respective lists under Orders-in-Council of the 7th October, 1931, and 4th November, 1938, will be eligible for pension at the rate applicable to the widow of a Commodore, viz., £250 a year, provided that their husbands were qualified for promotion to Rear Admiral, or equivalent rank, under such regulations as were in force at the date of their retirement.

This rule will apply to all Officers promoted to the ranks of Captain or Engineer Captain or Captain (E) or Surgeon Captain after the 7th October, 1931, except Medical Officers entered on or after 1st May, 1934, or transferred to the conditions laid down in Part I of the schedule to Order in Council, 29th June, 1934.

The widows of Captains who were eligible for the "over-six year" scale of retired pay under the New Code will be eligible for a pension at the rate of £250 per annum.

(iii) The widow of a Chaplain will be eligible for pension at the ordinary rate of £220 a year provided that her husband, if he entered the Royal Navy

(*a*) before 2nd January, 1927, had attained 20 years' seniority and served in a service capacity on or after the 2nd August, 1914.

(*b*) after the 1st January, 1927, but before the 25th December, 1934, had attained 22 years' seniority and had been specially selected for retention on the Active List beyond the age of 50 under Schedule V, Section VIII, Clause III (a) of Order-in-Council of the 22nd January, 1920.

(*c*) on or after the 25th December, 1934, had attained the age of 50 before retirement and 22 years seniority on the Active List, provided that, where Officers otherwise coming under (*a*) or (*b*) had accepted the conditions of service laid down in Order-in-Council of the 21st February, 1935, the conditions specified under (*c*) will govern the award.

(iv) If a Chaplain, under the age of 50, being a Minister of a religious body not in conformity with the Church of England, chooses to remain on the conditions in force prior to the promulgation of Order-in-Council of 17th November, 1943, No. 33 C.W. and dies from a cause not directly attributable to the service whilst serving on the Active List and would have been eligible for Service retired pay had he been invalided on account of non-attributable disability, or had retired after completion of 15 years' commissioned service and was in receipt of retired pay, his widow may be awarded a pension at the ordinary rate not exceeding £140 a year.

(v) Pension and gratuity for the widow of Quartermaster (Captain) R.M. with less than eight years' service since promotion to Lieutenant retired on or after 1st October, 1932, to be at the rates applicable to the widows of Lieutenants, R.M.

(vi) The widow of a Chief Officer of Coast Guard ranking with Warrant Officer granted the rank of Lieutenant on retirement not earlier than 7th July, 1897, nor later than 25th June, 1925, may be awarded a pension of £80 per annum.

2. For the purpose of assessing these pensions and gratuities, the rank of the Officer shall be, except as hereinafter provided, the highest substantive rank held by the Officer on the Active List. In the case of a Chaplain on the retired list, seniority for this purpose shall be taken as seniority at date of retirement. Brevet or honorary rank shall not count, except where otherwise specifically stated, but the rank of Commodore 1st or 2nd class shall be regarded as a substantive rank. Brevet rank held on the active list prior to or on the 25th June, 1925, shall also be regarded as a substantive rank.

The widows and dependants of Officers of the following ranks shall be eligible, subject to these regulations, for pensions or allowances at the rates appropriate to the substantive rank in which the Officers were acting or serving in a probationary capacity at the time of their death :—

Probationary Lieutenants, Royal Marines.

Acting Lieutenants promoted to that rank under Orders in Council 25th May, 1939, 25th July, 1939, and 8th December, 1944.

Acting Warrant Officers (this term including Schoolmaster Candidates, Royal Navy, and Probationary Schoolmasters, Royal Navy and Royal Marines).

If an Officer accepts a temporary rank lower than his substantive rank and dies in circumtances rendering his widow eligible for a pension at the attributable rate, his widow shall not receive a pension greater than the rate on the attributable scale appropriate to her husband's temporary rank, unless eligible for a higher pension on the ordinary scale appropriate to his substantive rank. (*See* however, Clause 19 regarding Supplementary Widows' pensions).

Pensions and gratuities appropriate to higher rank than that last held by the Officer on the active list may, however, be granted in the following cases :—

(*a*) The widows of Officers who were promoted to the rank of Captain, Royal Navy, on the Active List and advanced to the rank of Flag Officer whilst on the retired list, and were retired or married before the 10th November, 1886, may receive pensions and gratuities applicable to the rank last held by their husbands on the retired list.

(*b*) The widows of Officers referred to in the notes to the tables in Clause 1 may be granted pensions as laid down therein.

(*c*) The widows of Officers promoted to Commissioned Officers from Warrant rank on the active list prior to the 25th June, 1925, may be granted pensions and gratuities applicable to the rank or relative rank of Leiutenant, Royal Navy, provided that their husbands :—

(i) If on the retired list at the date of death, retired after the 1st April, 1896 (or in the case of Officers of the Schoolmaster Branch, after the 10th January, 1910), with the substantive, honorary or relative rank of Lieutenant, Royal Navy, or Lieutenant, Royal Marines, as the case may be, or

(ii) If on the active list at the date of death, were qualified in all respects under the regulations for the grant on retirement of the rank or relative rank of Lieutenant, Royal Navy, in the case of Naval Officers or of the rank or relative rank of Lieutenant, Royal Marines, in the case of Royal Marine Officers, and had attained the age of 40 years.

(*d*) The widows of Officers whose deaths were directly attributable to the conditions of service may receive pensions and gratuities applicable to the highest substantive rank held by their husbands on the active list, or while re-employed in a service capacity during war or emergency.

(*e*) The widows of retired Officers who were re-employed in a service capacity during war or emergency prior to the 17th December, 1929, may receive pensions at the ordinary rate applicable to the highest substantive rank held by their husbands during such re-employment.

(*f*) The widows of retired Chaplains who were re-employed in a service capacity during war or emergency prior to the 17th December, 1929, may receive pensions based on the seniority of their husbands at date of retirement, increased by the amount of actual service during such re-employment.

(*g*) The widows of Officers who have held paid acting rank higher than their substantive rank for a minimum period of three years on the Active List, between 3rd September, 1939, and 31st October, 1952, inclusive, may receive pensions at the ordinary rate applicable to the acting rank, one step above the highest substantive rank held by their husbands.

3. Pensions at the attributable rate may be granted in all cases where death is due to wounds, injuries or disease certified by the competent medical authority to be directly attributable to the conditions of service, provided :—

(i) That the marriage took place before the Officer received the wound or injury or before such first removal from duty. As from 1st February, 1946, pension may be granted irrespective of the date of marriage, if the Officer died on or after the 3rd September, 1939.

(ii) In the case of disease, that the Officer survived the marriage by at least a year unless it can be shown that he was manifestly in good health at the time of the marriage, and,

(iii) In the event of death after retirement, that the Officer did not elect the conditions of voluntary retirement instead of retirement for disability. (*See* Clause 7, Schedule III, Disability Retired Pay Regulations.)

4. A Warrant Officer's widow who is in receipt of a pension for herself at the attributable rate and has a child in her care, may be granted a rent allowance at the rate and under the conditions laid down for the widows of Naval ratings, provided that the total of widow's pension, children's allowances and rent allowance shall not exceed the total of widow's pension and children's allowances that would have been payable had her husband been a Sub-Lieutenant.

5. The additional gratuity to the widow, together with pension at the attributable rate, may be granted in cases where the Officer is killed in action or dies of wounds received in action within seven years of the date on which the wounds were received.

So long as this rule shall continue in force for Officers of the Royal Air Force, the gratuity to the widow may also be granted in cases where the Officer is killed on flying duty, or while being carried on duty in aircraft under proper authority, or dies of injuries sustained on flying duty or while being carried on duty in aircraft under proper authority within seven years of the date of the injuries.

(NOTE.—The rate and general conditions applicable to awards of pensions, etc., to widows and other dependants of Sergeants-Major, R.M., the causes of whose deaths are certified by the competent Naval Medical Authority to be directly attributable to the conditions of service, are the same as those for Warrant Officers, Class I, in the Army, *vide* Articles 1170 to 1183 of the Royal Warrant for Pay, etc., of the Army, and Order-in-Council of 2nd February, 1937, No. 131/N.)

6. In cases which the deaths of Officers are not certified by the competent medical authority to be attributable to the conditions of service, pensions not exceeding the ordinary rate laid down in Clause 1 of these Regulations may be granted to widows of Officers other than temporary Officers on the active or retired list of the Royal Navy and Royal Marines at the time of their death, and of permanent Officers of the Coast Guard (not being pensioned ratings), including the Cruiser service.

Except where the Officer dies in such circumstances as would render his widow eligible for a pension at the attributable rate, a pension shall not be granted to a widow :—

(*a*) If her husband, being capable o f service, should have been excused at his own request from serving when called upon, provided that he had been officially warned that his widow would thereby forfeit the pension.

(*b*) If her husband should have died in the service of a foreign state, unless serving with the permission of the Admiralty.

(*c*) If she had not been married for 12 months to the Officer deceased, unless it be shown that such Officer was manifestly in good health at the date of his marriage and that his death was not due to injury or disease arising from his misconduct or from any causes within his own control.

(*d*) In the case of Officers who retired after the 10th November, 1886, or Officers retired before that date whose widows are not eligible for pensions under the regulations existing before the 25th June, 1925, if the marriage took place after the Officer was removed from the Active List.

If, however, the Officer was subsequently to his marriage, or at the time of his marriage, re-employed in time of war or emergency, a pension may be awarded to the widow; provided that such re-employment occurred before the 17th December, 1929, or after 2nd September, 1939, and subject to the other conditions laid down in these regulations.

(*e*) If her husband retires with a gratuity on or after the 25th June, 1925, or if he retired with a gratuity only under the provisions of Order-in-Council of 14th July, 1922, or, being a Medical or a Dental Officer or a Royal Marine Officer, retired or withdrew with a gratuity prior to the 25th June, 1925.

(*f*) Unless her husband shall have had—

(i) In the case of Chaplains already on the list on the 25th June, 1925, if they are still on the list at the time of their death, 3 years' service on full pay, of which one year must have been subsequent to the marriage, provided the widow is otherwise qualified.

(ii) In the case of Officers promoted after service as ratings in the Royal Navy, or in the ranks of the Royal Marines, 12 months' service in Warrant or Acting Warrant or in Commissioned rank, or in the case of pensioners who were granted temporary acting Warrant rank or Commissioned rank during the First World War (1914-1919), 12 months' service in such rank.

(iii) In the case of other Officers, including Chaplains where the conditions under (i) are not satisfied, 10 years' seniority on the Active List in Commissioned or Warrant rank or in Commissioned and Warrant rank combined or in the case of Officers who retired before the 10th November, 1886, and whose widows are eligible for pensions under the regulations existing before the 25th June, 1925, 10 years' seniority as Commissioned Officers either on active, reserved, or retired lists combined. Should an Officer already on the list and already married on the 25th June, 1925, have 5 years' seniority or more on the active list, have been in good health when he married, and it be clearly shown that his death was not due to injury or disease arising from his misconduct or from any causes within his own control, the Admiralty may award pensions in such cases as they may think proper.

(*g*) In the case of an Officer entered in the Air Branch, unless he had retired with service retired pay or had been retained on the Active List beyond 15 years to complete time for retired pay. This period includes such service in the Royal Air Force as is allowed to qualify for Naval retired pay.

7. The widow of an Officer placed on the retired or pension list, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years' service counting towards retirement or pension may, at the discretion of the Admiralty, be granted a pension if she is otherwise eligible, provided that a deduction of not less than 10 per cent. shall have been made from the retired pay or pension to which, but for his misconduct, the Officer would have been entitled. In such cases, the widow's pension shall be reduced by not less than half the percentage by which her husband's retired pay or pension has been reduced.

8. The widow of an Officer placed on permanent half-pay or on the retired or pension list for misconduct, before the 2nd August, 1910, shall not be eligible for a pension.

9. The pension of a widow who re-marries shall be suspended from the date following that of her re-marriage but, in the event of her again becoming a widow, her pension may, at the discretion of the Admiralty, be restored for such time as she remains a widow, provided that she is otherwise qualified and that her pecuniary circumstances are such as, in the opinion of the Admiralty, to justify the award. Should she become eligible by re-marriage for a pension at a different rate, she may choose that which is more to her advantage.

ALLOWANCES TO CHILDREN

10. Allowances to the legitimate children (*see* Note (*a*)) of deceased Officers may be granted at the discretion of the Admiralty at the following rates, provided it be shown that the children have no other allowance, pension or provision from the public on account of the Officer's services, and that in cases where the Officer died in circumstances which would entitle the widow to a pension at the ordinary rate, their pecuniary circumstances are, in the opinion of the Admiralty, so limited that they actually require assistance.

Where the Officer died in circumstances which would entitle the widow to a pension at the attributable rate :—

As from 1st September, 1952, these rates were increased to £49 and £56, respectively.

As from 1st January, 1947, a motherless child who has attained the age of 18 years and in whose case the conditions under Clause 11 as to incapacity are fulfilled, the allowance may be awarded at, or if already awarded, increased to, a rate not exceeding £68 a year. As from 1st August, 1952, this rate was increased to £84 10s. 0d.

Where the Officer died in circumstances which would entitle the widow to a pension at the ordinary rate :—

(In such cases, the Admiralty may, at their discretion, grant smaller rates of allowances, if the pecuniary circumstances of the children are, in their opinion, such as to justify allowances, though not at the full rates. Such provision to have effect as from the 1st Jannary, 1924).

(*See* Note (vii) at foot of clause 1.)

The children of an Officer retiring or withdrawing with a gratuity will not be eligible for allowances if the widow is ineligible for an ordinary pension under these regulations, unless the Officer died in circumstances which would entitle his widow to a pension at the attributable rate.

NOTE.—(*a*) Where the Officer died in circumstances which would entitle the widow to a pension at the attributable rate, allowances may, in certain circumstances and with effect from 1st June, 1939, be granted in respect of other children.

11. The allowances granted to the children of Officers may be continued :—

(i) In the case of sons until they attain the age of eighteen or are otherwise provided for; and

(ii) In the case of daughters until they marry or attain the age of eighteen (*see* Note (*a*)), whichever shall happen first, or, in the case of allowances granted on or after 17th September, 1942, are otherwise provided for;

and no longer, except in special cases, in which it shall be shown that such sons or daughters are afflicted with a mental or bodily infirmity rendering them incapable of making adequate exertion for their own support, and that they are still in distressed circumstances, when the allowance may be continued, or revived, should any break of continuity have occurred.

These allowances may be granted or continued after the ages specified in the preceding paragraph in the case of either sons or daughters who are apprentices receiving not more than nominal wages or who are being educated at secondary schools, technical institutions or universities.

They may also be awarded in special cases where the sons and daughters of Officers who were not in receipt of allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the sons and daughters reached the age at which in ordinary circumstances allowances would cease, provided that they are in distressed circumstances.

NOTE.—(*a*) Allowances (other than those granted on an attributable basis with effect from a date earlier than the 10th November, 1932), to unmarried daughters of Officers who have neither :—

(i) Been promoted to higher rank on the Active List, nor

(ii) Entered the service.

subsequent to the 10th November, 1932, will normally continue to the age of twenty-one.

12. Children who are being educated at the expense of Greenwich Hospital may be granted the allowances applicable to their father's rank, provided they are in real need.

13. In the event of a widow re-marrying, her children by the first marriage are still eligible for allowances, provided they are otherwise qualified to receive them.

14. Allowances to children are payable from the date following that of the Officer's death to the 31st March next ensuing, and subsequent payments are made yearly in advance from the 1st April in each year.

15. In addition to these allowances, an allowance may be granted, at the discretion of the Admiralty, for the education of the children of Officers (other than Sergeants-Major, R.M.) who die in circumstances which render the widow eligible for a pension at the attributable rate, provided that the pecuniary need of the family is such as to require it. The allowance shall be at such rates (not exceeding £80 per annum) as the Admiralty may think fit, and shall commence on or after the attainment of the age of 5. The continuance of the allowance shall be dependent upon the Admiralty being satisfied as to the education which the child is receiving and it shall cease at the age of 18, unless the education of the child is being continued at a secondary school, technical school or university, when it shall be within the discretion of the Admiralty to continue it, on the recommendation of a competent educational authority.

ALLOWANCES TO OTHER DEPENDANTS.

16. (1) If an Officer dies in circumstances which would have qualified his widow, or child, had he been married, for a pension or allowance at the attributable rate, his parent or parents may be granted an annual allowance subject to such conditions as the Admiralty may determine provided that :—

(*a*) the Officer did not leave a widow or a child eligible for an allowance under these regulations;

(*b*) the parent or parents are in pecuniary need;

(*c*) either the parent or parents were largely dependent on the Officer at the time of his death, or the father is deceased or incapable of self-support through age or infirmity.

(2) The rate of allowance shall be at the discretion of the Admiralty but shall not exceed :—

(*a*) Officers of the rank or equivalent rank of Lieutenant - Commander, R.N., and above	One and a half times the "Ordinary" rate of Widow's Pensions.
(*b*) Other commissioned ranks.	†£100 a year.
(*c*) Warrant Officers R.N., Subordinate Officers R.N., after completion of shore training, and Officers of equivalent rank.	†£80 a year.

As from 1st February, 1946, the rate at (*c*) shown above shall be cancelled and the rate of £85 substituted therefor.

In exceptional cases, the rate of pension may be increased in excess of the foregoing rates by a sum not exceeding £20 a year.

(3) A grant shall not be transferable, but, if an award has been made to the two parents of an Officer, payment of pension may be continued to the survivor at such rate as the Admiralty may determine.

(4) A grant to a mother shall cease if she re-marries.

BROTHERS AND SISTERS.

17. Similarly, brothers and sisters of an Officer who died in circumstances which would have rendered his widow, had be been married, eligible for pension at the attributable rate, may, collectively, be granted an annual allowance of such amount as the Admiralty may decide, but not exceeding half the pension the widow would have received, and not exceeding £24 (or £18 if the deceased was a Warrant Officer) for any one brother or sister, provided :—

(i) That the Officer did not leave a widow, legitimate child or parent;

(ii) That the brothers and sisters were largely

† Operative from 16th August, 1943

dependent on the Officer at the time of his death; and

(iii) That their pecuniary and other circumstances are such as, in the opinion of the Admiralty, justify the grant.

Allowances granted to the brothers and sisters of Officers shall be subject to the same age limits and rules as to continuance and cessation as those laid down for the allowances of Officers' children, except that the grant will not be continued beyond the normal ages, unless in cases of mental or bodily infirmity.

GENERAL

18. A pension or allowance to the widow or other relative of a deceased Officer shall not be claimed as a right. It shall not be granted when the applicant is shown to be unworthy of the Public Bounty, nor unless the Officer's service has been such as, in the opinion of the Admiralty, to justify the award. It may, at the discretion of the Admiralty, be discontinued in the event of any misconduct rendering the recipient unworthy of such bounty.

In the event of an Officer acquiring foreign nationality, any pension or allowances which might otherwise be payable to his widow shall be liable to forfeiture.

19. If the applicant is granted any other pension or allowance from the public on account of the Officer's services, whether in the Royal Navy, Royal Marines, or in any other capacity, the amount of such other pension or allowances will be taken into consideration and the grant permissible under these regulations may be withheld or reduced at the discretion of the Admiralty, but this provision shall not apply where a pension is awarded from the Civil List or a pension or an allowance is awarded by the Ministry of Pensions under the Personal Injuries (Civilians) Scheme. (*See also* Clause 20 regarding supplementary pensions and allowances to the widow and children of a retired Officer who loses his life as a result of further service during the present war in a rank lower than his rank on the retired list.)

20. In the case of a retired Officer who loses his life as a result of further service in any of H.M. Forces during the 1939/45 war in a rank lower than his rank on the retired list, the Admiralty may, at their discretion, supplement the widow's pension and children's allowances, if any, payable by the Ministry of Pensions under the Naval War Pensions Regulations up to the extent necessary to ensure that the total of the pensionary awards payable by the two Departments shall be equal to the total of the pensionary awards which would have been payable by the two Departments had the Officer died as a result of service as a member of a Civil Defence Organisation scheduled in the Personal Injuries (Civilians) Scheme, provided, however, that the total of the pensionary awards by the two Departments shall not exceed those which would have been payable by the Ministry of Pensions had the Officer lost his life as a result of service during the 1939/45 war in his rank on the retired list. The award and payment of these supplementary pensions and allowances will be subject to the general rules governing the award and payment of Naval pensions and allowances to the widow and children of an Officer who dies from causes not directly attributable to the conditions of service.

21. A pension may be awarded, at Admiralty discretion, to a widow who was living apart from her husband at the time of his death, provided that she is otherwise eligible under these regulations. Any pension so granted will be at such rate within the scales laid down in this Order and subject to such conditions as the Admiralty may determine.

22. Any case in which the deceased Officer's rank is not provided for in Clause 1 of these regulations shall be dealt with according to the Officer's relative rank, ascertained in accordance with the method outlined in Clause 2 of these regulations.

23. The date of commencement of any pension or allowance granted under these regulations will, as a rule, be the day following the date of the Officer's death. The date of commencement is, however, at the discretion of the Admiralty, and in fixing the date account will be taken of any delay on the part of the widow or other relative in applying for such pension or allowance.

Where a temporary post-mortem allowance is paid in respect of an Officer who at the date of his death was either on the Active List or re-employed at Naval rates of pay, the widow's pension and children's allowances, if any, will, as a rule, be paid with effect from the day following the termination of the temporary allowance. Where, however, the pension and children's allowances are greater than the temporary allowance, the pension, etc., will be ante-dated to the day following that of the Officer's death, and the temporary allowance treated as a recoverable advance of pension.

24. The benefits granted by these regulations to the widows and other dependants of Officers on the permanent lists shall be extended, subject to the other conditions here laid down, to the widows and other dependants of Officers of the Reserve Forces, or of Officers entered for temporary service only, provided that they die in circumstances which would, had they been on the permanent lists, have entitled their widows to a pension at the attributable rate.

25. If an Officer, Commissioned Officer from Warrant Rank, or Warrant Officer, is killed or dies in such circumstances that any grant is payable in respect of him under these regulations, and his widow, child or other dependant receives compensation from or on behalf of a third party for the act, omission or circumstances which caused the death, any such compensation may be taken into consideration in assessing any grant which might be made in respect of the Officer, Commissioned Officer from Warrant Rank, or Warrant Officer under these regulations; and if the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled.

If, in the opinion of the Admiralty, the widow, child, or dependant relative of a Naval or Marine Officer either unreasonably refuses to prefer a claim for compensation against a third party, or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded under these Regulations may be withheld or reduced at the discretion of the Admiralty.

26. If an Officer, Commissioned Officer from Warrant Rank, or Warrant Officer who has been seconded to the Royal Air Force and paid at Royal Air Force rates of pay dies of wounds, injuries or disease directly attributable to the conditions of service in the Royal Air Force, his widow, children or other dependent relatives shall be dealt with as under the Royal Air Force regulations appropriate to his rank in that Force, or under Naval regulations appropriate to his Naval rank, whichever would be more to their advantage, subject to the condition that such award, if made as under the Royal Air Force regulations, shall not exceed that which might have been made had the Officer died on the date of his ceasing to draw full pay in the Royal Air Force.

27. If an Officer's death, or the wound, injury or disease which resulted in his death, was due wholly or in part to his own negligence or misconduct, or to any cause within his control, any grant which might otherwise have been made under these regulations to his widow or other dependent relative may be withheld or reduced in amount at the discretion of the Admiralty.

28. With regard to the effect of commutation on widows' pensions and allowances, *see* paragraphs

15, 16 and 17 of the Commutation Regulations (page 56).

29. The rates of pension, etc., laid down in these Regulations are the maximum amounts payable, and the Admiralty have no power to increase them. Should further assistance be sought it is recommended that a letter be addressed in the first instance to the Secretary, Central Bureau, 1 Chesham Street, S.W.1, who would advise as to any private Funds to which application might be made.

B.—Families of Temporary Branch Officers

(i) The families of officers of this category who are eligible for service retired pay under special regulations will qualify for pensions as follows :—

Widows

Where the officer has completed 20 years' reckonable service (or 10 years if he is invalided or dies while serving) the pension will be £70 a year. Where he has less than that service, but more than 15 years' total service, the pension will be £60 a year.

General Conditions for Award, etc.

The marriage must have taken place before retirement (or, where there is subsequent re-employment entitling the member to a revision of his service retired pay, before the termination of the re-employment).

There will be no condition relating to income, or to the relative ages of husband and wife, or to the husband's age on marriage. If the wife was separated from her husband and not fully supported by him, and in certain other circumstances, awards will be discretionary, as hitherto.

The pensions will not be payable in conjunction with awards by the Ministry of Pensions in respect of death due to service.

A widow's pension will cease on her remarriage, but, if she again becomes a widow, the award may be resumed at discretion.

Children's pension will be given where the widow is (or would, if living, have been) eligible for pension. In addition to children of the officer, adopted children and step-children will, subject to certain conditions, be eligible. Pensions will be payable normally up to age 18 in respect of the children of officers, but may be paid beyond those ages in certain circumstances (e.g., during further education).

Gratuities to Widows, Etc.

This is a new benefit for the widows of regular officers who die while serving after 31st August, 1950 (including those serving on short service or extended service commissions).

The amount of gratuity will be as follows :—

Less £45 for each year or part of a year short of 20 years. Minimum with 10 years' reckonable service	450
(ii) Where no Terminable Grant would have been payable	200

Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from and not dependent on her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children.

Where there are children but no widow, the gratuity may be paid in part or in whole, for the benefit of the children.

Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

Officers wishing to be considered for these pensions should apply to:—The Director of Greenwich Hospital, 14 Buckingham Gate, London, S.W.1, who will furnish application forms. Awards can only be made as vacancies arise).

1. NAVAL COMPASSIONATE, GREENWICH HOSPITAL, AND TRAVERS PENSIONS may be awarded, at Admiralty discretion, to retired permanent regular officers of the Royal Navy or Royal Marines.

3. THE AMOUNT OF A NAVAL COMPASSIONATE PENSION will depend on the circumstances of the case and the funds available, but will not normally exceed £100 per annum. In very exceptional circumstances, however, a larger pension may be awarded, but in no case exceeding £200 per annum.

4. GREENWICH HOSPITAL PENSIONS will be awarded under the same general conditions as above. These pensions will not exceed £100 per annum.

5. TRAVERS PENSIONS will also be awarded under the same general conditions to retired permanent regular officers of the Executive Branch whose last rank on the Active List was Lieutenant or Lieutenant-Commander, or such other Executive Officers retired from these ranks as the Admiralty may decide. PENSIONS AND GRATUITIES TO ROYAL NAVY RATINGS, WOMEN'S ROYAL NAVY RATINGS, AND ROYAL MARINES (OTHER RANKS).

NOTES.—(a) The award for compensation for disablement directly due to service after 2nd September, 1939, is governed by the Regulations of the Ministry of Pensions, which are shown at the end of this Appendix.

(b) Details of a Pensions Increase Scheme appear later in this Appendix (see Index).

I. General Regulations.

1. The following Regulations are supplementary and subordinate to the Regulations for the award of Pensions or Gratuities in respect of Service or Disability published in Chapter LVI of the Queen's Regulations and Admiralty Instructions.

2. Any pensioner convicted of felony and sentenced to penal servitude, imprisonment with hard labour, or imprisonment exceeding twelve months, or of an attempt to commit a fraud in the receipt of pension or prize money, shall be struck off the pension list. *Note.*—The personating or falsely assuming the name or character of a Naval pensioner in order to obtain his pension money is made felony by Act of Parliament.

3. All pensions are tenable only during good behaviour, and may be suspended or forfeited by reason of misconduct on the part of the pensioner, to be judged of by the Admiralty, but the Admiralty at their discretion, may restore, either wholly or partially, any pension which has been suspended or forfeited.

4. A pension so restored may be paid to, or applied for the benefit of the pensioner's wife, children, or other dependants, for the period of his imprisonment.

5. Any assignment, sale, or contract relating to a Naval or Greenwich Hospital pension is void, but if the naval pensioner desires to commute a portion of his pension, and can show that commutation would be to his distinct and permanent advantage, the Admiralty, at their discretion, and on such terms and subject to such conditions as they may prescribe, may commute, by the payment of a capital sum of money, any portion of the pension that may be in excess of three shillings a day in the case of a Sergeant-Major, R.M., or two shillings a day in the case of Naval ratings and other ranks of the Royal Marines. Pensions of three shillings a day, or less, for Sergeant-Majors, R.M., and two shillings a day, or less, for others shall not be commutable. (For Tables see para. 29 of Section II).

6. When a pensioner who has commuted part of his pension re-enters the Royal Navy or Royal Marines and ceases to draw pension (thus counting the further time for increase of pension), he shall be required to refund the value of the commuted pension for the period of his re-employment. He shall be given the option of refunding the money by :—

(i) deduction from pension, on discharge, for a period equal to the re-enrolled service, of an amount equivalent to that commuted ;
or
(ii) deduction from Terminal Grant on final discharge ;
or
(iii) further commutation of pension to provide a sum equal to the capital value of the commuted portion of the original pension for the period of re-enrolled service ;
or
(iv) deduction from Naval pay whilst serving.

7. Pensioners in the categories enumerated below will be paid quarterly in advance, but if they so desire payment may be made weekly in advance on the strict understanding that their choice of payment weekly, once made, is irrevocable. Pensioners in category (i) who so desire, will be paid weekly in advance. Those in category (ii) are to signify on Form S. 409 when applying for pension, whether they desire payment to be made on a weekly or quarterly basis.

(i) Men and boys pensioned from a date commencing before the 1st January, 1936.

(ii) Continuous service ratings whose re-engagement to complete time for pension dated from not later than 30th September, 1935*; non-continuous service ratings serving on that date under an engagement which will enable them to complete 22 years' pensionable service ; and all ranks of the Royal Marines who, not later than 30th September, 1935, re-engaged for a second period or completed 10 years' pensionable time by that date and declared in writing, not later than 30th September, 1935, their intention of re-engaging as soon as such re-engagement is open to them (provided, in each instance, that no break in service occurs on or after the 1st August, 1935).

8. The widows or legal representatives of pensioners to whom the provisions of paragraph 6 apply, may be allowed to receive their pensions up to the end of the quarter in which the pensioners died, provided such pensions shall not already have been paid, and provided there be no stoppage against the pension on account of maintenance in a hospital, or other reason. If any such pensioner shall have received his pension up to the end of the quarter in which he died, and his death takes place within two days from the end of the quarter, a month's pension may be paid to the widow on special authority from the Admiralty.

9. All pensioners other than those in the categories enumerated in paragraph 7 will receive payment of pension weekly in advance. The pension of men and boys finally entered, or re-entered, after a break in service, on or after 1st August, 1935, will cease at the end of the pension week in which death occurs but for all others the benefits mentioned in paragraph 8 may be allowed.

10. The arrangements for weekly payment in advance apply to pensioners resident in the United Kingdom, the Channel Islands and the Irish Free State. Pensioners resident abroad who do not wish, or are ineligible to receive payment of their pensions quarterly in advance, will, generally, be paid monthly in arrear.

11. Any pensioner guilty of violence or outrage towards any person employed in paying the pensioner, shall be punished by the loss of either of a part or of the whole of his pension, in addition to any other punishment which the law may inflict for such offence.

12. A pensioner who neglects to draw his pension for four successive quarters, will be struck off the pension list and not replaced unless he account satisfactorily for such omission, and the Admiralty, at their discretion, will grant or withhold the arrears, or any portion thereof, but in no case will arrears be paid for a longer period than two years, unless the man shall have been serving in the Navy in a rating which entitled him to receive his pension while so employed.

* This is to be deemed to include candidates for mechanician who have re-engaged for a second period of 12 years, and Yard Craft ratings (*see* para. 1 (*f*) of Section iv) with 10 years' pensionable service on 30th September, 1935.

13. Naval pensioners may draw their naval pensions while serving in British merchant ships, or residing in any British possession abroad, but not for any period during which they may serve under a foreign flag, or reside in any foreign country of which they are not native, unless with the special permission of the Admiralty. Naval pensioners may also draw their pensions while serving in Her Majesty's naval or civil establishments, including yard craft. A pensioner acquiring foreign nationality may thereby forfeit his pension.

14. When a pensioner, serving in a British merchant ship, has been compelled temporarily to reside on shore in a foreign country, owing to the wreck of the ship in which he may have been serving, or other unavoidable occurrence, his pension may be paid for the period of such residence, provided he take the earliest opportunity of joining another British ship, or of returning to England.

15. In special circumstances, and with the consent of the pensioner, the Admiralty may order a man's pension, or any portion of it, to be paid to or on behalf of his wife, or, if he have no wife, to or for the benefit of his child or children.

16. An advance of naval pension, not exceeding six months, may be made to a pensioner for the purpose of assisting him to emigrate to any of Her Majesty's possessions abroad. This advance is payable only when authorised by the Admiralty.

II.—PENSIONS AND GRATUITIES FOR LONG SERVICE.

A. 1951 CODE.

1. The following is a summary of the main provisions of the 1951 Code Scheme of pensions. This summary must not be regarded as comprehensive, since certain conditions and rates are still under consideration.

PENSIONS.

2. The 1951 Pensions Scheme applies to Naval ratings and Royal Marines who were discharged to pension on or after 31st August, 1950. If it is to their advantage, men already re-engaged for pension on the 19th December, 1945, will be allowed to receive pensions under the 1919 or 1930 Code instead of those prescribed under the 1951 Code.

3. The following are the minimum periods of service required to qualify for pension or gratuity.

(*a*) *For long service pension.* 22 years from age 18. Royal Marines who signed engagements to complete time for pension before 1st May, 1947, may receive 1951 Code pensions with not less than 21 years service from age 18.

(*b*) *For service pension on invaliding.* 12 years continuous service from age 18; to be eligible for service pension men invalided must, in addition to having rendered the minimum period of service, have re-engaged to complete time for pension.

(*c*) *For gratuity on completion of engagement or on voluntary discharge.* 10 years continuous (unbroken) service from age 18.

(*d*) *For gratuity on invaliding.* 5 years continuous (unbroken) service from age 18, except that, for men entered for continuous service below the age of 18, service below that age may be taken into account in accordance with the provisions of para. 11 below.

5. In assessing rank element of pension, all paid rank will be taken into account.

6. Pensions awarded under the 1951 Code are at flat rates. They are not increasable at ages 55 or 65 by the award of Age or Increased Age additions, as are pensions awarded under the 1919 and 1930 Codes, nor do they carry any entitlement to increase under the Pensions (Increase) Scheme. They are paid weekly in advance, and, in the event of death, pension will cease at the end of the pension week in which death occurs.

7. *Terminal Grant in Addition to Service Pension.*

(*a*) Ratings and Royal Marines eligible for service pension will be awarded a terminal grant, in addition to service pension, as follows:—

(*b*) Twenty-two years' reckonable service will be necessary for the full grant. Those going to service pension with less than 22 years' service will be awarded 1/22nd of the basic rate for each year of service. The grant will, however, in no case be less than £100 in such cases.

(*c*) Rank for assessing the grant will be the highest paid rank held for a period of two years or more during the five years preceding discharge.

8. *Special Provision for Naval Aircrew Categories.*

Aircrew categories completing not less than 22 years, pensionable service, will be eligible for the full rate of Long Service Pension on the scale shown above, plus an addition in respect of each year of qualifying service while employed on aircrew duties as follows:—

A Naval Rating Pilot if discharged unsuitable for aircrew duties after a minimum of 18 years reckonable service will be eligible for a proportionate pension on the normal scale plus the appropriate addition in respect of aircrew service.

GRATUITIES.

9. Men discharged on completion of engagement without entitlement to service pension, with more than one complete year's service after 18th December,

Digitized by Google

1945, will be eligible for service gratuities in respect of service after that date, provided they have completed not less than 10 years' total service, from age 18, at the following rates :—

After 10 years' reckonable service £50
i.e., £10 for each complete year of reckonable service in excess of 5 years.
For each year in excess of 10 years' reckonable service £25 subject to a maximum total of £200

In calculating "reckonable" service for this purpose, all satisfactory periods of regular service may be aggregated, with the addition of any period of non-regular service immediately preceding the regular service.

10. Men with unbroken service prior to 19th December, 1945, will count their former service only

(*a*) towards the qualifying period of 10 years ;
(*b*) towards determining the rate at which gratuity begins to accrue from 19th December, 1945.

11. Men invalided with insufficient service to qualify for service pension may receive gratuitie on the above scale, provided that they have not les than 5 years' continuous (unbroken) service. Service below the age of 18 may be allowed to reckon towards the qualifying period and rate of gratuity, subject to an overall maximum gratuity entitlement of £50 where such service is allowed to count.

12. *Special Provision for Naval Aircrew Categories.* Gratuities as follows will be payable to Airmen of aircrew categories serving on normal regular aircrew engagements and who are discharged without entitlement to service pension :—

Pilots Aircrewmen I and Aircrewmen II	Navigators	£40 a year for each year of aircrew service.
Aircrewmen I (U) Aircrewmen II (U) Telegraphist (Flying)		£32 a year for each year of aircrew service.

The gratuities are subject to the general conditions of, and in lieu of, the ordinary rate of service gratuity payable to other ratings, except that the minimum requirement of five years' service on invaliding does not apply.

13. Voluntary Discharges. Men discharged voluntarily will be eligible for gratuity under the same conditions as for men discharged on completion of engagement.

14. *Other Discharges.* Men discharged S.N.L.R. or for unsuitability, inefficiency or misconduct are not entitled to gratuity ; but, at the discretion of the Admiralty, gratuities, not in any case exceeding the rate which would have been payable on voluntary discharge, may be paid in special cases.

15. If a Naval rating or Royal Marine dies while serving no gratuity will be payable.

19. Stewards and Officers' Cooks became eligible from 2nd August, 1914, for the privilege of rank additions, and time served in petty officer or leading rating will reckon for rank additions as from that date, but Petty Time will not be doubled in respect of any period prior to 11th October, 1921. 22. The regulations governing the counting for rank additions to pension of time served in temporary higher rank during the war period have been promulgated in Admiralty Fleet Orders

23. Continuity of service for the purpose of rank additions will not be considered to be broken for a continuous service man, or Royal Marine, who may be invalided before completing his engagement, and who may afterwards recover and rejoin for continuous service, or under a Royal Marine engagement, provided he rejoin as soon as the state of his health will admit, and be otherwise eligible for the double rank addition.

24. The transfer of a Royal Marine to the Regulating Branch will not be regarded as breaking the continuity of his service for purposes of double rank additions.

25. As an encouragement of good conduct, a single case of imprisonment or detention for not more than three calendar months, or a single case of confinement in cells with deprivation of time, during a period of continuous service, will not be considered as breaking the continuity of service, and therefore depriving the individual of the advantage of double rank addition, provided he be otherwise eligible for the allowance, and provided also that he serve, in addition to his time for pension a further period equa ito double the time forfeited In the case of a man who has suffered more than one of such punishments, the continuity of service will be considered as broken.

26. Pensioners in Class A of the Royal Fleet Reserve may be awarded an additional pension of fivepence a day on attaining the age of 50, provided they have fulfilled the prescribed conditions as to drill, &c. Payment of this pension will cease on the award of the Greenwich Hospital Age Pension at age 55.

27. *National Retirement Pensions.*

Men who (a) enter the Royal Navy on or after the 1st July, 1949, or (b) re-enter on or after the 1st July, 1949, after a break in service, except those who re-enter within 12 months of being invalided or those who have already been granted pension before re-entry, will have a deduction made from their pension at the rate of 4d. a week for each year of service; subject to a maximum of 16/- a week; which will take effect from the date on which a pensioner attains the age of 65 and becomes entitled to a National Retirement Pension. No adjustment of pension will, however, be made in the case of pensioners living outside the United Kingdom and not actually receiving National Retirement Pensions.

28. Native Ratings (except Chinese and Malayan Ratings for whom see Section V) who complete a minimum period of 22 years' satisfactory service and are not entitled to a Service pension, may be granted a gratuity at the rate of 15s. for each complete year of service, together with rank additions of £1 and 10s. respectively, for each year of service in a petty officer or leading rating.

A.—When the Cause of Invaliding is attributable to the Service, or, in certain circumstances, when a Man is discharged otherwise and has sustained a Wound or Injury in the Service.

Note.—The following Regulations apply to Seamen and Marines suffering from disabilities directly attributable to the conditions of service between 1st October, 1921 and 2nd September, 1939.

The award of compensation in respect of disabilities attributable to service directly due to service after 2nd September, 1939, is governed by the Regulations of the Ministry of Pensions, which are shown at the end of this Appendix.

1. Seamen and Royal Marines invalided on account of wounds or hurts received in action, or otherwise in the execution of duty, or on account of sickness attributable to the conditions of service, may be granted compensation, at the discretion of the Admiralty, in accordance with the following scales, subject to the conditions appended thereto. The assessment will be based on length of service and degree of disablement.

(*c*) *Rank Element of Pensions.*—The rules are as laid down in paragraph 2 (c), except that the scale in respect of good conduct badges and medal will be that shown in the long service pension regulations, paragraph 18.

4. For the 1951 Code service and rank elements of pension and terminal grants see Section II, paras 2 and 4—8.

5. *Family Allowances.* Where a rating is awarded a disablement pension under paragraph 2 (*b*), allowances in respect of his wife and children may be awarded at such proportion of the following rate as corresponds to the degree of disablement on which the pension is based, subject to the special conditions shown below.

	Weekly rate for 100 per cent. disablement. s.	d.
For a wife	10	0
For each child	7	6
or, where no allowance is in payment for a wife :—		
For the first child	10	0
For each other child ..	7	6

The special conditions governing the grant of these family allowances to disablement pension shall be as follows :—

(*a*) If a wife is living apart from her husband family element shall not be allowable in respect of her, unless—
- (i) she was being regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of his disablement pension, or
- (ii) she is entitled to support under a separation or maintenance order, or
- (iii) the separation was caused by the husband's mental instability due to the disability in respect of which he is granted his disablement pension.

(*b*) *For a step-child or a legally adopted child.*—The child shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of his disablement pension.

(*c*) *For an illegitimate child.*—
- (i) The child shall have been born before or within nine months after the date on which the Seaman or Marine sustained the wound or injury, or the date on which he was removed from duty on account of the disease in respect of which his disablement pension is granted, and
- (ii) the child shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of his disablement pension, or shall be the subject of an affiliation order in force against the Seaman or Marine.

(*d*) *For a foster child.*—
- (i) the child shall have been brought up and wholly or mainly maintained by the Seaman or Marine for not less than six months (or such lesser period as the Admiralty may determine in the exceptional circumstances of any case) during the Seaman's or Marine's service, and
- (ii) the child shall have been so maintained by the Seaman or Marine up to the date of any award or renewal of his disablement pension.

"The expressions 'removed from duty' or 'removal from duty' shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of disablement is based, providing that if as the result of service subsequent to the date of receipt of the wound or injury or of removal from duty, not being service after the 2nd September, 1939, during the present war, the Seaman or Marine suffered material aggravation of his disability, the date of removal from duty shall be that of the later removal on account of the disability: or, if there was no such removal, the date of termination of full pay service of the Seaman or Marine."

"Family addition to disablement pension in respect of a child shall normally terminate when the child attains the age of 16 years, but (*a*) if satisfactory evidence is produced that, owing to mental or physical infirmity, such infirmity having arisen before the child reached the age of 16, a child is unable to maintain himself or herself, the addition may be granted or continued up to an age not exceeding 21 years, and (*b*) the addition may be granted or continued after the age of 16 years in the case of a child who is being educated at a secondary school, technical school or university, or is an apprentice receiving not more than nominal wages."

"Family additions to disablement pension in respect of any individual may be withheld if, in the opinion of the Board of Admiralty, the circumstances are not such as to justify the grant."

"Where an individual in respect of whom family addition to disablement pension is admissible is not residing with the pensioner, the addition may, at the discretion of the Board of Admiralty, be granted independently, for the benefit of that individual, to some person other than the pensioner."

6. *Special Allowances for Unemployable Pensioners.*—

(i) Where a pensioner is in receipt of a pension under paragraph 2 (*b*) in respect of disablement so serious as to make him unemployable he may be granted :—
- (*a*) an allowance by way of supplement to his pension at the weekly rate of 35/-
- (*b*) an increase, where necessary, in the rate of family allowance awarded under paragraph 5 to the rate which would be appropriate under that paragraph if the degree of disablement were 100 per cent. Where the allowance for the first child is 7/6 a week, a further allowance of 3/- a week may be awarded in respect of that child.
- (*c*) family allowances in respect of any children for whom such allowances are not in issue at the rates which would be appropriate under paragraph 5, if the children were eligible for allowances under that paragraph and the degree of disablement of the unemployable pensioner were 100 per cent.
- (*d*) the rate of wife's allowance may be increased up to a maximum of 21/6 a week where the wife is wholly or mainly dependent on her husband.

Digitized by Google

(*e*) where no allowance is payable for a wife, an allowance not exceeding 21/6 a week may be paid for
(i) a dependent adult relative living with the pensioner, or
(ii) a woman dependent on the pensioner and having the care of a child or children of the pensioner for whom an allowance is being paid.

(*f*) an allowance in respect of any dependent child, irrespective of date of birth, of the amount and subject to such conditions as would be appropriate under paragraph 9, if the child were a child to whom the paragraph applied.

(ii) In determining whether a pensioner is unemployable, any earnings of the pensioner of 20/- a week or less shall be disregarded.

7. *Constant Attendance Allowances.*—Where a pension under paragraph 2 (*b*) is in issue in respect of disablement the degree of which is assessed at 100 per cent., and it is shown to the satisfaction of the Admiralty that constant attendance on the pensioner is necessary on account of the disablement, an allowance may be granted at a rate not exceeding 25/- a week, except that in exceptional cases of very severe disablement the allowance may be increased up to a maximum of 50/-.

8. *Allowances for Comforts.*—Where a pension under paragraph 2 (*b*) is in issue in respect of disablement, the degree of which is assessed at 100 per cent., and the pensioner is in receipt of an allowance under paragraph 6, an allowance for the provision of comforts at the rate of 10/- a week may be awarded; provided that the pensioner is also in receipt of an allowance under paragraph 7 or would be in receipt of such an allowance, if he were not in a hospital or nstitution.

9. *Education Allowances.*—
(i) In addition to a pension under paragraph 2 (*b*), an allowance may, at the discretion of the Admiralty, be granted in respect of a child eligible for an allowance under paragraph 5 for the purpose of the child's education if:—
(*a*) the child has attained the age of 5 years; and
(*b*) the circumstances of the family are such as to require it; and
(*c*) the Admiralty is satisfied that the type of education which the child is receiving or is to receive is suitable for the child.
ii) The amount of an education allowance shall be determined by the Admiralty, but the total payments made in respect of any period of twelve months will not exceed £80.

10. *Treatment Allowances.*—
(i) A pensioner in receipt of a pension under paragraph 2 (*b*) may, in lieu of his existing award, be granted in respect of any period during which he receives approved treatment, a treatment allowance consisting of a personal allowance in respect of himself, and an additional allowance in respect of his wife and children.
(ii) Subject to the following provisions of this para.:—
(*a*) a personal allowance will be at the rate of pension, including service and rank elements, which would be appropriate under these regulations if the degree of disablement were 100 per cent.
(*b*) an additional allowance in respect of a wife and/or children will be at the rates and subject to the conditions which would be appropriate if the wife and/or children were eligible for family additions under para. 5.
(iii) The allowance in respect of a wife under (ii) (*b*) above may be increased to the rate of 21/6 a week where she is wholly or mainly dependant on her husband. When the allowance for the first child is 7/6 a week, a further allowance of 3/- a week may be awarded in respect of that child.
(iv) Where no allowance is payable for a wife an allowance not exceeding 21/6 a week may be paid for
(*a*) a dependent adult relative living with the pensioner, or
(*b*) a woman dependent on the pensioner and having the care in the pensioner's home of a child or children of the pensioner for whom an allowance is being paid.
(v) The allowance under (ii) (*a*) above may be increased by whichever of the following amounts is appropriate, namely:—
(*a*) if the pensioner is not eligible for a sickness benefit (or retirement pension or contributory old age pension) under the National Insurance Act 1946; 32/6 a week;
(*b*) if he is eligible for such benefit at a lower rate than 32/6 a week the amount of the difference between that lower rate and 32/6 a week.

Provided that this paragraph shall not apply to:—
(i) a pensioner who is in receipt of an Unemployable Allowance under paragraph 6 of Section III above; or
(ii) a pensioner who is receiving approved institutional treatment and is *not* entitled to an allowance under (ii) (*b*); (iii); and (iv) (*a*) and (*b*) above.

The allowance will be subject to such deductions as the Admiralty may think appropriate having regard to all the circumstances of the case.

For the purpose of this paragraph approved treatment means in-patient treatment authorised or approved by the Admiralty.

11. *Allowances where prolonged abstention from work is necessary following Approved Institutional Treatment.*—
Where it is notified that a pensioner should on completion of a course of approved institutional treatment abstain from work for a prolonged period in consequence of the condition which necessitated that treatment, he may be treated as if he were eligible throughout that period for a treatment allowance under paragraph 10.

This paragraph shall not apply to a pensioner who is in receipt of an Unemployable Allowance under paragraph 6 above.

12. *Clothing Allowance.*—
(*a*) A disablement pensioner who is in receipt of a pension for the loss of a limb and who wears an artificial one, may be granted a clothing allowance of £5 a year in single amputation cases and £8 a year in cases where more than one artificial limb, or a tilting table limb is worn.
(*b*) In any other case in which the Admiralty is satisfied that as a result of the pensioner's disablement there is exceptional wear and tear of the pensioner's clothing, an allowance not exceeding £8 a year may be granted.

13. *Loss of Wages whilst attending Surveys.*—
Compensation may be paid within certain limits for loss of wages, etc., incurred by a pensioner who is called upon to attend a medical examination in connection with his pension.

14. *Allowance for lowered standard of occupation.*—
(i) As from 1st May, 1948, where a Naval rating or Royal Marine in receipt of a pension under paragraph 2 (*b*) in respect of disablement of less

than 100%, has been, by reason of his disability, compelled after 1st July, 1945, to adopt an occupation not equivalent to that regularly followed by him for a reasonable period before that date, he may be granted a special allowance at a rate not exceeding 20/- a week, provided the pension together with the allowance does not exceed the rate of pension which would have been appropriate, if the degree of disablement were 100%.

(ii) No award shall be made under this paragraph where the pensioner is in receipt of a special allowance under paragraph 6.

15. *Gratuities.*—
(i) Seamen and Marines discharged with less than the qualifying period of service required for the award of a pension (service element) will under the 1919 and 1930 Codes be eligible for the grant of a gratuity not exceeding £2 for each completed year of service from the date of entry. (For the purpose of these gratuities service under the age of 18 will be reckoned under the same conditions as service above that age.)
(ii) Alternative gratuities payable to seamen and Marines invalided on or after 19th December, 1945—for conditions see Section II—paras. 9, 10, 11 and 12.
(iii) If the degree of disablement be assessed at less than 20% a gratuity appropriate to the degree of disablement but not exceeding a maximum of £100 may be awarded at Admiralty discretion.

(NOTE.—Seamen and Marines entered only for a period of hostilities are not eligible for the award of gratuities in respect of service).

16. Men eligible for a pension in respect of the service element and for a gratuity on the ground of disablement, or vice versa, will have their pensions assessed on the appropriate service or disablement scales, plus the rank element, and will receive payment in full, in addition to the disablement or service gratuity appropriate to their case.
Men eligible for gratuities only in respect of both the service and the disablement elements will receive payment in full.

17. *Pensioners injured during further Service.*—When a pensioner employed in Her Majesty's Naval Service shall become unfit for further service through wounds or injuries received in the actual performance of duty, or sickness attributable to the conditions of service, he may be awarded in respect of his disablement such compensation under these regulations as the Admiralty shall think fit in the circumstances of the case.

18. As from 30th December, 1940, and for the period of the present emergency, Native ratings may be granted compensation for injuries or disabilities certified to be attributable to the Service at the rates laid down in Admiralty Fleet Orders.

19. *Compensation in respect of injuries, etc., unconnected with cause of discharge.*
(*a*) *Wounds and injuries.*
Compensation may be granted on or after discharge, in respect of wounds or injuries attributable to Naval service and recorded by the medical authorities, at the rate that would have been appropriate had the man been invalided for the disability.
(*b*) *Diseases.*
Where the disability is caused by disease, and is wholly attributable to Naval service, compensation may be granted on or after discharge at the rate that would have been appropriate had the man been invalided for the disability, provided the claim is made within 7 years from date of discharge.

B. WHEN THE CAUSE OF INVALIDING IS NOT ATTRIBUTABLE TO THE SERVICE.

1. Seamen and Royal Marines invalided for disability contracted in, but not attributable to, the Service, may be granted compensation, at the discretion of the Admiralty, in accordance with the following scales, subject to the conditions appended thereto.

2. Rules applicable to those finally entered as man or boy after 31st March, 1930, or re-entered after that date after a break in service (*see*, however, note at end of paragraph 18 of Section II) :—

5. *Gratuities.*—
(i) Seamen and Marines discharged with less than the qualifying period of service required for the award of a pension will be eligible under the 1919 and 1980 Codes for the grant of a gratuity of £2, plus an additional 10s. for each ten degrees of disability in excess of 20% in respect of each completed year of service from the date of entry. (For the purpose of these gratuities service under the age of 18 will be reckoned under the same conditions as service above that age.).
(ii) Alternative gratuities payable to seamen and Marines invalided on or after 19th December, 1945—for conditions see Section II, paras. 9, 10, 11 and 12.
(iii) Seamen and Marines entered only for a period of hostilities are not eligible for the award of these gratuities.

6. *Native Ratings* (except Chinese and Malayan Ratings for whom see Section V), who, having completed a minimum period of six years' service, are invalided for disability contracted in, but not attributable to the Service, may be granted a gratuity of 15s. for each complete year of satisfactory service, together with rank additions of £1 10s. respectively, for each year served in a petty officer or leading rating subsequently to the completion of a total service of fourteen years.

C. General Rules governing Disability Pensions.

1. The foregoing scales of compensation for attributable and non-attributable disabilities will be subject to reduction, at the discretion of the Admiralty, in the event of the cost of living falling considerably as compared with the standard cost which prevailed when these scales were established. Such reduction, if made, will apply to all pensions assessed thereunder which are being drawn at the date of reduction, as well as to future grants.

2. If any person, on being invalided from the Service, is suffering from two separate and distinct disabilities, and is eligible in respect of one of them for a grant under the Regulations of the Ministry of Pensions, and in respect of the other for a grant under these Regulations, only one grant will be made in respect of both. This grant will be assessed partly under the Regulations of the Ministry of Pensions, and partly under these Regulations. When the invaliding disability is attributable to the Service the grant will be assessed according to the proportion which the percentage of the peace and the war disability, respectively, bears to the sum of the two percentages added together; the assessment under these regulations being so regulated, however, as to ensure that the total grant made shall not be more than the person would receive if the two disabilities were dealt with as one combined disability under the Regulations of the Ministry of Pensions, nor less than he would receive if they were so dealt with under these regulations.

3. Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these regulations, and where he receives compensation from or on behalf of a third party for the act, omission or circumstances which caused the injury, any such compensation may be taken into consideration in assessing any pension or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment it may be taken into consideration and the assessment may be amended or cancelled accordingly.

If, in the opinion of the Admiralty, a seaman or marine either unreasonably refuses to prefer a claim for compensation against the third party or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded to or in respect of the man under these Regulations may be withheld or reduced at the discretion of the Admiralty.

4. When the cause of invaliding is due to negligence or misconduct on the part of the man, or to his want of proper care, pension or gratuity may be withheld, or awarded at such reduced rate as may be thought fit.

5. It is a necessary condition in order that a man may be qualified for the award of a pension (service element) on being invalided that he has re-engaged to complete time for Long Service Pension.

IV.—Age Pensions.

1. Age pensions of 6*d.* a day (£1 18*s.* a quarter) for seamen and Royal Marine pensioners over 55 years of age, and at the increased rate of 9*d.* a day (£3 8*s.* a quarter) for seamen and Royal Marine pensioners over 65 years of age, are awarded according to the following Regulations. The increased pension of 9*d.* a day (£3 8*s.* a quarter) will not be granted to men who entered or (after a break in service) re-entered the Service after the 3rd October, 1925; for the purpose of this provision, however, the date of transfer of, or resumption of former engagement by, the men enumerated in the Note at the end of paragraph 18 of Section II will not be regarded as debarring them from the increased age pension provided they are otherwise eligible.

(*a*) Seamen and Royal Marines who are in receipt of naval pensions for life (other than deferred marine pensions or pensions awarded under the 1945 and 1951 pensions code), and are qualified by age, may be granted, at the discretion of the Admiralty, an age pension at the appropriate rate as from 1st April, 1919, or from the date on which the qualifying age is attained, whichever may be the later. Claims to arrears in respect of any period prior to 1st April, 1919, will not be admitted, notwithstanding apparent eligibility; all awards previous to that date having been made by selection according to the funds then available.

(*b*) These pensions are only for those who have served as seamen or marines, except in the cases of Yard craft personnel and Riggers on the Wages List, who are specially provided for in sub-clause (*f*).

(*c*) Age pensions may be drawn by men residing in British possessions abroad.

(*d*) The age pension shall not be awarded to any man whose general conduct in the Service was inferior to "Good", or whose character and conduct since his discharge shall be considered by the Admiralty to be bad or indifferent.

(*e*) All applications for age pensions shall be made to the Secretary of the Admiralty, London, S.W.1.

(*f*) Yard craft personnel and Riggers on the Wages List, who have been granted civil superannuation, as well as those who have been granted naval pensions, or who have been pensioned under the old Dockyard Regulations, are eligible for the Age Pension of 5*d.* a day (£1 18*s.* a quarter) and, provided they did not enter or (after a break in service) re-enter the Service after the 3rd October, 1925, for the increased pension of 9*d.* a day (£3 8*s.* a quarter). Breakwater men are not entitled to these pensions.

(*b*) towards determining the rate at which gratuity begins to accrue from 19th December, 1945.

7. Women invalided with insufficient service to qualify for Service pension may receive gratuities on the above scale, provided that they have not less than 5 years' continuous (unbroken) service. Service below the age of 18 may be allowed to reckon towards the qualifying period and rate of gratuity, subject to an overall maximum gratuity entitlement of £35 where such service is allowed to count.

8. In appropriate cases, a statement to this effect should accompany the Form S.409.

(*b*) Any period of service in respect of which a gratuity other than War Gratuity, has already been paid, unless such gratuity is recovered, either in cash, or by abatement.

3. Seamen and Royal Marines coming within any of the above classes, whose claims to the benefits of Greenwich Hospital have been allowed may, after examination, be allowed special pensions from the funds of Greenwich Hospital not exceeding 5/- a day.
Special pensions may be drawn by men residing in the Commonwealth.

4. All applications for the benefits of Greenwich Hospital shall be made to the Director of Greenwich Hospital, Admiralty, 14 Buckingham Gate, S.W.1. A medical survey will be held on each applicant, to ascertain the degree in which he can contribute towards his own support, and on this report a decision will be formed by the Admiralty as to the claims of the applicant upon the funds of Greenwich Hospital.

5. *Persons ineligible.*—The following persons shall not be considered eligible for the benefits of Greenwich Hospital—

B.—Pensions to Widows and Gratuities to Dependants.

Under the Greenwich Hospital (Dependants) Pension Order, 1948, and as amended by the Greenwich Hospital (Widows Pensions Order, 1952), widows or Seamen and Marines may be granted pensions, and Dependants may be granted gratuities subject to the following conditions :—

1. In cases of exceptional financial distress Pensions of 10s. 6d. per week may be granted by the Admiralty out of the funds of Greenwich Hospital to the widow of any person deceased, whether before or after the passing of the Greenwich Hospital Act, 1947, while serving, or having served, as a non-commissioned officer, Petty Officer or man of the Royal Navy or Royal Marines or of any naval reserve force. Awards of these pensions will be granted only in very exceptional necessitous circumstances.

2. Owing to the limited funds available for this benefit, the total number of awards in force at any one time will be small. Priority will be given to the following classes, and awards will normally be restricted to these classes :—

(*a*) Widows of men who have given not less than 22 years service in the Royal Navy or 21 years in the Royal Marines.

(*b*) Widows of men who, having given a shorter period of service, died while serving, or were invalided.

Awards will be made on a temporary basis, normally for one year, with review of the pensioner's circumstances at the end of that period.

3. A widow in receipt of a pension in respect of the attributability of her husband's death to H.M. Service will be ineligible for the above pension.

4. If a widow re-marries her pension will cease.

5. Pensions and allowances are tenable subject to good behaviour and are granted at the discretion of the Admiralty. They cannot be claimed as a right. Any assignment, sale or contract relating to a Pension is void.

6. Widows without children under 15 years of age will be medically surveyed by an Admiralty Surgeon and Agent in order to ascertain the degree (if any) and probable duration of any infirmity.

7. Widows will be required to make a declaration quarterly or whenever it be considered necessary, before a duly authorised person, as to their continued widowhood and distressed circumstances.

8. The number of Greenwich Hospital Widows pensions in force shall be such number as the available funds of Geenwich Hospital may admit.

9. In the event of men specified in paragraph 1 of these Regulations dying as widowers or without having been married, but leaving parents or other relatives dependent upon them, gratuities not exceeding £50 may be given at the discretion of the Admiralty to such parents or relatives (provided the total expenditure on such Gratuities shall not exceed in any one year the sum of £500). No gratuity will be payable in any case where the death of the man has been accepted as attributable to Service.

PENSIONS, ALLOWANCES AND GRATUITIES TO THE WIDOWS, CHILDREN AND CERTAIN OTHER DEPENDENT RELATIVES OF CHIEF PETTY OFFICERS, PETTY OFFICERS, R.N., SERGEANTS-MAJOR AND NON-COMMISSIONED OFFICERS, R.M., AND MEN & BOYS OF THE ROYAL NAVY & ROYAL MARINES.

(OLD SCHEME).

NOTE.—The following Regulations apply to widows and other dependants of Seamen and Marines whose deaths are attributable to the conditions of service between the 1st October, 1921, and the 2nd September, 1939. The award of compensation in respect of deaths attributable to service after 2nd September, 1939 is governed by the regulations of the Ministry of Pensions which are shown at the end of this Appendix.

General.

1. Pensions, allowances and gratuities may be granted to the widows, children and certain other dependent relatives of deceased Chief Petty Officers and Petty Officers, R.N., Sergeants-Major and Non-Commissioned Officers, R.M., and men of the Royal Navy and Marines and of the Reserve Forces of the rates and subject to the conditions set out in the following paragraphs. A deceased Chief Petty Officer or Petty Officer, R.N., or Sergeant-Major or Non-Commissioned Officer, R.M., or man is hereinafter referred to as a Seaman or Marine.

2. These Regulations take effect as from 1st October, 1921, but will not apply in any case where it is proved that the death of the Seaman or Marine is attributable to service during the period of the Great War in which event his family will be eligible for consideration under Ministry of Pensions Regulations instead of under these Regulations. For this purpose, "The period of the Great War" is to be read as meaning the period beginning on 4th August, 1914, and ending on 30th September, 1921.

3. The grant of a pension, allowance, or gratuity under these Regulations will only be allowable provided that the Seaman or Marine was killed or drowned in the service of the Crown or died as the result of wound, injury or disease, directly attributable to the conditions of service.

4. A pension, gratuity, or allowance under these Regulations cannot be claimed as a right. It will not be granted when the applicant is shown to be unworthy of a grant from public funds, nor will it be granted unless the service of the deceased Seaman or Marine has been such as, in the opinion of the Admiralty, to justify the award, nor if, having been a pensioner, he shall have forfeited his pension through the acquisition of foreign nationality.

5. If the applicant is granted any other pension or allowance from the public, on account of the services of the Seaman or Marine in any other public capacity, the grant permissible under these Regulations shall be reduced by the amount of such pension or allowance.

6. Subject to any exception which the Admiralty may approve in a particular case, a grant under these Regulations will not be made to a widow who was separated from her husband at the time of his death. Should such exception be approved the grant made will be at such rate within the scales laid down in these Regulations and subject to such conditions as the Admiralty may determine.

7. If a Seaman's or Marine's death or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct or to any cause within his control, any grant which might otherwise have been made under these Regulations to his widow or other relative may be withheld or reduced in amount at the discretion of the Admiralty.

8. If a Seaman or Marine is killed or dies in such circumstances that any grant is payable in respect of him under these Regulations, and his widow, child or dependent relative receives compensation from or on behalf of a third party for the act, omission, or circumstances which caused the death any such compensation may be taken into consideration in assessing any grant which might be made under these Regulations; and if the compensation is received after assessment, it may be taken into consideration, and the assessment may be amended or cancelled accordingly.

If, in the opinion of the Admiralty, the widow, child or dependent relative of a seaman or Marine either unreasonably refuses to prefer a claim for compensation against a third party or unreasonably accepts an inadequate amount of compensation from such party, any pension or other grant which may be or may have been awarded under these Regulations may be withheld or reduced at the discretion of the Admiralty.

9. Any pension or allowance granted under these Regulations will be discontinued should the recipient subsequently prove to be unworthy of it, or should the conditions which justified the grant no longer be fulfilled. Any assignment, sale or contract relating to a pension, allowance or gratuity is void.

10. A grant under these Regulations will not be made if the claim thereto fails to be established before the death of the person to whom it might have been made and such failure is due to neglect or omission on the part of such person, or, in the case of a person not of adult age, on the part of his or her guardian or other representative.

11. Any pension or allowance which may become payable under these Regulations to the widow or other dependent relative of a Naval pensioner who is, at the time of death, in receipt of pension paid on a weekly basis, shall not commence before the date of expiry of the period covered by the last payment of his pension or by the special grant of a month's pension which may be made to his widow. Otherwise, the date of commencement of any pension or allowance will, as a rule, be the day following the date of the Seaman's or Marine's death, or if later, the date following that to which any marriage allowance to his family has been paid. The date of commencement is, however, at the discretion of the Admiralty, and in fixing the date, account will be taken of any delay on the part of the widow or other relative in applying for such pension or allowance.

13. Widows and other dependants of Sergeants-Major, R.M., are eligible for pensions, etc., from Naval Funds at the rates and under the general conditions applicable to Warrant Officers, Class I, in the Army, vide Articles 1162 to 1183 of the Royal Warrant for the pay, etc., of the Army, 1931, and Order in Council of 2nd February, 1937, No. 131/N.

14. A pension will not be granted if the Seaman or Marine married after he received the wound or injury or after he was removed from duty on account of the disease from which he died, unless at the date of his death he was in receipt of an allowance in respect of his wife under paragraph 5 of Section III A of the Men's Disability Pension and Gratuities Regulations.

As from 7th February, 1946, in cases where the Seaman or Marine died on or after 3rd September, 1939, pension may be granted irrespective of the date of marriage.

15. *Rent Allowances.*—(i) Where a widow is in receipt of a pension under clause 12 or 13, and the household of the widow includes a child, the widow may be granted a supplementary allowance in accordance with the following provisions at such weekly rate, not exceeding 15/-*, as the Admiralty may consider appropriate having regard to the amount by which her weekly rent and rates exceed 6/-.

(ii) Where a child has attained the age of 16 years, an allowance under this para. will not be made or continued unless the circumstances of the case are such, in the opinion of the Admiralty, as to justify the grant or its continuance.

(iii) Where an allowance under this para. would cease by reason of the death of a child before attaining the age limit laid down in sub.-para (ii), the allowance will be continued for the period of thirteen weeks from the date of the child's death.

(iv) For the purpose of this paragraph

(*a*) "child" means a child who is eligible for an allowance under para 17 and any other child who should, in the opinion of the Admiralty, having regard to the relationship to or connection with the deceased rating and the other circumstances of the case, be treated as included in this clause.

(*b*) "weekly rent and rates" means such sum as the Admiralty may, after taking into account all relevant factors and making all necessary apportionments, consider to be the weekly amount which the widow is paying or providing either directly or indirectly in respect of rent or the equivalent thereof and rates for accommodation for the benefit of herself and the child.

(*c*) "accommodation" means living accommodation without any service or benefit not ordinarily provided by the landlord to the tenant of an unfurnished dwelling house, but may, at the discretion of the Admiralty, include accommodation reasonably required for the storage of furniture.

16. If a widow who has been granted a pension under these Regulations re-marries, her pension will cease on the date of her re-marriage, but she may then be granted a gratuity equal to one year's pension. This grant will be subject to such conditions as to payment as the Admiralty may determine and will be in full discharge of all claims. (As regards the widows of Sergeants-Major, R.M., see clause 13).

Children.

17. Compassionate allowances may be granted to the legitimate children, step-children, legally adopted children and illegitimate children under the age of 16 of a Seaman or Marine whose widow is awarded a pension under these Regulations or would, if she had been living at the time of the Seaman's or Marine's death, have been eligible for such pension. In exceptional circumstances compassionate allowances may, at the discretion of the Admiralty, be granted to such children even though the widow herself is ineligible for the award of a pension under the Regulations. (As regards the children of Sergeants-Major, R.M., see clause 18).

In the case of children other than legitimate children an award shall not be made unless the following conditions are satisfied:—

(*a*) For a step-child or a legally adopted child, the child shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of pension to him, or up to the date of his death.

(*b*) For an illegitimate child, the child shall have been born before or within nine months after the date on which the Seaman or Marine sustained the wound or injury, or the date on which he was removed from duty, on account of the disease, from which he died, and the child, unless posthumous, shall have been regularly maintained in whole or in part by the Seaman or Marine up to the date of any award or renewal of pension to him, or up to the date of his death, or shall have been the subject of an affiliation order in force against the Seaman or Marine at the date of his death.

NOTES.—(i) Awards under (*a*) and (*b*) above shall not have effect from a date earlier than 1st June, 1939.

(ii) The expressions "removed from duty" or "removal from duty" shall be interpreted with reference to the date of the first removal from duty on account of the disease upon which the claim in respect of death or disablement is based, provided that if, as a result of subsequent service, the Seaman or Marine suffered material aggravation of this disability, the date of removal from duty shall be that of the later removal on account of the disability; or, if there was no such removal, the date of termination of full pay service of the Seaman or Marine.

* Operative from 7th February, 1946.

18. Compassionate allowances under paragraph 17 may (as from 4th May, 1944) be granted to a widow pensioned under these Regulations, at the weekly rate of 11/- in respect of each child under the age of 16, so long as the child is maintained by her.

The rate for motherless children will be 15/-* a week each while the child is under the age of 15, and 21/6* a week thereafter.

19. These allowances will not, as a rule, be paid to or in respect of children over the age of 16. At the discretion of the Admiralty, however, they may be granted or continued after that age in the case of a child who is an apprentice receiving not more than nominal wages or who is being educated at a secondary school, technical school or university.

20. They may also be granted or continued between the ages of 16 and 21 in the case of a child incapable through mental or bodily infirmity of earning a living, provided the infirmity existed before the child attained the age of 16. In such cases, and provided the child is motherless, the rate of allowance may be increased to 32/6† a week when the child attains the age of 18 years.

20a. *Education Allowances.*—(i) In addition to compassionate allowance under paragraph 17, an allowance may, at the discretion of the Admiralty, be granted for the purpose of the child's education if :—

(*a*) the child has attained the age of 5 years and,

(*b*) the circumstances of the family are such as to require it; and,

(*c*) the Admiralty is satisfied that the type of education which the child is receiving or is to receive is suitable for the child.

(ii) The amount of an education allowance shall be determined by the Admiralty, but the total payments made in respect of any period of twelve months will not exceed £80.

21. If pension to a widow be withheld or discontinued on grounds of unworthiness her children, if otherwise eligible for compassionate allowance, and if removed from her control, may at the discretion of the Admiralty be granted such allowance at the rate appropriate to motherless children.

22. Children's Allowances will not be issuable for any period during which the children are maintained in the Royal Navy, the Army or the Royal Air Force.

---

* Operative from 1.9.52.
† Operative from 21.7.52.

22a. The provisions of paras. 15 and 20a are subject to review.

Parents.

23. If a Seaman or Marine dies in circumstances which would have qualified his widow or child, had he been married, for a pension or allowance under these regulations, his parent or parents may be granted an allowance subject to such conditions as the Admiralty may determine, provided that—

(*a*) The Seaman or Marine did not leave a widow, or a child eligible for an allowance under these regulations;

(*b*) the parent or parents are in pecuniary need;

(*c*) the father is deceased or is incapable o self-support through age or infirmity.

24. The rate of pension shall be at the discretion of the Admiralty but shall not exceed 20*s.* a week for one parent or 27*s.* 6*d.* a week for both parents. In exceptional cases these rates may be increased to 27/6 and 40/- a week respectively.

25. A grant shall not be transferable, but if an award has been made to the two parents of a Seaman or Marine payment of pension may be continued to the survivor at such rate as the Admiralty may determine.

26. An allowance to a mother shall cease if she remarries.

Brothers and Sisters.

27. The brothers and sisters of a Seaman or Marine who died in circumstances which would have rendered his widow, had he been married, eligible for a pension under these Regulations may, collectively, be granted an allowance at such rate not exceeding 10*s.* a week and not exceeding 5*s.* a week for any one brother or sister as the Admiralty may decide, provided :—

(1) That the Seaman or Marine did not leave a widow, child, or parent;

(2) That the brothers and sisters were largely dependent on the deceased Seaman or Marine at the time of his death; and

(3) That their pecuniary and other circumstances are such as, in the opinion of the Admiralty, would justify the grant.

28. Allowances granted to the brothers and sisters of Seamen or Marines will be subject to the same age limits and rules as to continuance and cessation as those laid down in this Schedule for the compassionate allowances of children, except that the special grant or extension provided for in paragraph 19 will not be admissible.

PENSIONS AND GRATUITIES TO WIDOWS AND DEPENDANTS OF R.N. RATINGS AND ROYAL MARINES (NEW SCHEME.)

1. Pensions becoming payable under this scheme will have effect from 1st December, 1952, or the date of qualification, if later.

2. This new scheme applies to the families of ratings and Royal Marines who give service on long service engagements after 31st August, 1950.

The minimum period of service required will be as for service pensions, viz., normally 22 years' reckonable service, or 12 years if the Warrant Officer is invalided (or dies while serving). At least two years' service as Regimental Sergeant Major during the last five years of service will be necessary.

Rating or rank for the assessment of pension will be the highest paid rating or rank held for two years or more during the last five years of service.

General Conditions for Award, etc.

The marriage must have taken place before discharge (or, where there is subsequent re-employment entitling the member to a revision of his service pension, before the termination of the re-employment).

There will be no condition relating to income, or to the relative ages of husband and wife, or to the husband's age on marriage. If the wife was separated from her husband and not fully supported by him, and in certain other circumstances, awards will be discretionary, as hitherto.

The pensions will not be payable in conjunction with awards by the Ministry of Pensions in respect of death due to service.

A widow's pension will cease on her remarriage, but, if she again becomes a widow, the award may be resumed at discretion.

Children's pension will be given where the widow is (or would, if living, have been) eligible for pension. In addition to children of the rating or other rank, adopted children and step-children will, subject to certain conditions, be eligible. Pensions will be payable normally up to age 18 in respect of the children of regimental sergeant majors, R.M., and up to age 16 in respect of the children of naval ratings and Royal Marines, but may be paid beyond those ages in certain circumstances (e.g., during further education).

GRATUITIES TO WIDOWS, ETC.

This is a new benefit for the widows of regular ratings and other ranks who die while serving after 31st August, 1950 (including those serving on short service or extended service engagements).

The amount of the gratuity will be as follows :—

LONG SERVICE RATINGS AND ROYAL MARINE OTHER RANKS (including Temporary Branch Officers who are eligible for service pension on the ratings' scale only).

(i) Where a Terminal Grant would have been payable on invaliding.

	165	15
	125	12
	75	10

For service of 12 or more years but less than 22, a proportion of the 22-year gratuity will be payable. Where this proportion is less than £75, the gratuity will be brought up to that figure.

(ii) Where no Terminal Grant would have been payable, the widow's gratuity will be £40.

Normally the gratuity will be payable in full to the widow. It may, however, be withheld or reduced where the widow was separated from and not dependent on her husband. Where there are children not dependent on the widow, part of the gratuity may be withheld from her and paid for the benefit of the children.

Where there are children but no widow, the gratuity may be paid in part or in whole, for the benefit of the children.

Children dependent on women members of the Forces who die while serving will similarly be eligible for gratuities in certain circumstances.

GRATUITIES TO RELATIVES OF NATIVE SEAMEN, OTHER THAN EUROPEANS.

29. A pension or an allowance will not be issuable in respect of the death of a Native Seaman, other than a European (whether or not he was a British subject) but, provided the conditions laid down in the foregoing paragraphs are satisfied, a gratuity, of such amount as the Admiralty may decide, but not exceeding the amount of a year's pay attaching to the substantive rating and any Good Conduct Badges held at the date of death may be granted to the dependent relatives.

30. Only the dependent relatives specified in the foregoing paragraphs will, under the circumstances stated therein, be eligible for gratuities.

31. As from 30th December, 1940, and for the period of the present emergency, an alternative scheme of compensation has been introduced, particulars of which have been promulgated in Admiralty Fleet Orders.

OFFICERS EMPLOYED ON INSPECTION, RESEARCH, DESIGN AND EXPERIMENTAL ORDNANCE DUTIES, &c.—CONDITIONS OF SERVICE.

The following regulations govern, with effect from 21st November, 1929, the conditions of service of Naval and Royal Marine Officers employed on Inspection, Research, Design and Experimental Ordnance Duties, etc., as indicated in paragraph 4 below. They do not apply to any civilians so employed.

1. *Recruitment.*—The following Officers are eligible for appointment:—

(*a*) Executive Officers, who have at least three years' service in a ship of war at sea as Lieutenant, are qualified as Gunnery or Torpedo Lieutenant and have been employed at sea in that capacity for not less than one year.

(*b*) Executive and Air Branch Officers who have at least three years' service in a ship of war at sea or in a Naval Air Establishment as Lieutenant, are qualified as Air Gunnery Officers and have been employed in that capacity for not less than one year.

(*c*) Executive Officers who have at least three years' service in a ship of war at sea as Lieutenant and have been employed at sea in Submarines in that rank for not less than one year.

(*d*) Engineer Officers and Air Engineer Officers who have at least three years' service in a ship of war at sea or in a Naval Air Establishment in Lieutenant's rank.

(*e*) Electrical Officers who have at least three years' service in a ship of war at sea, or in a Naval Air Establishment in Lieutenant's rank.

(*f*) Royal Marine Officers who have (i) passed the Naval Gunnery Instructor's Course in H.M.S. "Excellent" and have been employed as Gunnery Instructor, or (ii) passed the advanced course at the Military College of Science.

Officers will be considered for appointment up to the age of 37. (*Note*: This limit is temporarily in abeyance.)

2. *Conditions of Service. Training and Promotion.*—Officers will be on probation for two years from the date of appointment, or for such period exceeding two years as may be necessary owing to a confirmed appointment not being available.

If at any time during the probationary period an Officer is found to be unsuitable, he will revert to sea service or corps duty.

During the probationary period, Officers will be allowed the option of reverting to sea service or corps duty after they have had sufficient time to find out by actual experience whether they are fitted for the work.

The period of probation will be spent under training as follows:—The first year's training will be under the direction of the Inspector of Naval Ordnance, Woolwich, including inspection, visits to Cordite Factory, Ordnance Factory, shell and steel makers' works and the Research Department. During the second year they will join the R.N. College, Greenwich, for a course lasting about eight months in metallurgy and chemistry, the instruction in the latter relating principally to explosives, propellants and metals. During this period, visits will be arranged, as requisite, to the Research Department at Woolwich, and other similar establishments.

Officers who, at the end of the probationary period, are finally selected for permanent appointment under the scheme will not be eligible to revert to sea service or corps duty.

Officers will be interchangeable, so far as efficiency permits, between the various branches, though it is contemplated that some will display special capacity and preference for a particular branch, and it may prove to the advantage of the Service to allow such Officers to devote a large proportion of their service to that branch.

In order to give opportunity for judging the relative suitability of Officers for the various types of work for the first eight years after the completion of the probationary period, Officers will normally be appointed for terms of two years only. Endeavour will be made to give each Officer one period in the Design and Research Departments, though the number of posts available will not permit this to be done in all cases.

Appointment to the senior posts and higher posts (paragraph 4) will be in vacancies, and will be made solely by selection.

After the initial ten years mentioned above, all appointments will be normally for four years. NOTE—

(*a*) The number of posts permits of a proportion of Officers only obtaining higher posts. An Officer may hold one of the higher posts more than once, but only in exceptional circumstances will he hold one more than twice.

(*b*) The duration of all appointments will be subject to the exigencies of the Service, and while, in normal circumstances, the duration will be as given above, appointments may be curtailed or extended at the discretion of the Admiralty.

(*c*) Officers who hold Group (*c*) and Group (*d*) posts (paragraph 4) will not be eligible for further promotion under the scheme after they have attained the ages of 52 and 47 years, respectively.

Exceptions to this rule may be made at Admiralty discretion in the case of Officers who already held confirmed appointments on 21st November, 1929, in posts covered by the scheme, each case being considered on its merits. The Admiralty may make exceptions otherwise in very special cases where it is considered necessary in the interests of the Service to do so.

(*d*) Officers subject to this scheme will not be borne on ships books or included in Vote A, either during the probationary period or after. While still on the Active List, they will be supernumerary to the establishments of Officers of their particular ranks.

3. *Rank, etc.*—The Naval rank corresponding to each post is prescribed in paragraph 4. Precedence and control within the departments is determined by the post held.

Officers are to wear uniform only when serving with Officers of the Navy, Army or Air Force wearing uniform, or when otherwise required.

The uniform worn is to be that of the rank corresponding to the post (*see* paragraph 4).

The special grant of steps in rank after retirement (*see* paragraph 14) will be limited to what is required to give an Officer the rank corresponding to his grade (*see* paragraph 4).

A Lieutenant-Commander occupying a Group (*d*) post on retirement will remain a Lieutenant-Commander unless he is eligible for higher rank under the ordinary general Naval rules in force.

Active service Officers appointed to any of the posts in the ensuing paragraph, who do not already hold the rank appropriate thereto, will be given acting rank, as necessary, until placed on the Retired List.

A Captain, R.M., on the Active List holding a Group (*d*) post, or holding a Group (*c*) post with the rank of Acting Major, will be promoted to the rank of Brevet Major at the time at which he would normally have been promoted to the rank of Major if he were performing Corps duty. Such promotion will be subject to the Officer being recommended in all respects but *not* to having passed for promotion. Should an Officer who is on probation become due for promotion under this clause, such promotion will be suspended until he is confirmed in his appointment.

A Captain, R.M., who is placed on the Retired List under the provisions of paragraph 11 while holding the rank of Brevet Major, will be granted the rank of Major on the Retired List.

None of the above conditions affects the pay of the Officers in question while employed, which is dealt with in paragraph 4.

Group (*d*) Officers, on entry		£900 at age 28 £925 at age 29 £950 at age 30 or over.	

Thereafter by annual increments of £25 to £1,000.

NOTES.—(1) The above are consolidated scales and are *not* subject to provincial differentiation. They are exclusive of Pay Additions.

(ii) In the event of circumstances leading to an Officer being appointed to a group (*c*) post after holding a group (*b*) post, he will be placed at the top of the group (*c*) scale. Officers transferred from one post to another of equal pay within the same group (*a*, *b*, *c* or *d*) will continue at their existing rate, counting former service in the group towards increments.

(iii) The retired pay of retired Officers serving in any of these appointments will be suspended during such service.

(iv) Officers employed in these appointments may receive an allowance of 2s. a day for each day on which they are required to serve at sea in a submarine.

5. *Remuneration during periods of temporary unemployment.*—Officers on the Active List serving in any of these appointments will be eligible for pay at the rates appropriate to their substantive rank and seniority, and under the conditions applicable to officers on the general Active List.

Officers on the Retired List will be eligible to receive unemployed pay at a rate equal to their retired pay plus the addition to retired pay, if any (*see* paragraph 11), for which they would have been eligible, if on the date of ceasing salary their services had been finally terminated at their own request.

Digitized by Google

6. *Counting of service for increase of retired pay.*—All time in respect of which salary is drawn will count as full time for increase of retired pay. Time in respect of which unemployed pay or half-pay is drawn will, in the case of officers on the Active List, count in the same manner as for officers on the general Active List, and in the case or retired officers be ignored.

7. *Leave.*—Leave up to 42 days per annum will be granted, subject to departmental requirements.

8. *Sick Leave.*—Sick Leave on full salary may be granted up to six months in any twelve months, subject to an over-riding limit of twelve months in any four years. Admiralty sanction must be obtained for the grant of sick leave in excess of three months in any period of twelve months (*see* also paragraph 9).

9. *Hospital, medical and dental treatment.*—Officers, whether on the Active List or Retired List, R.N. or R.M., will be eligible for hospital, medical and dental treatment under Naval arrangements at the expense of Navy Votes. As the rates in paragraph 4 include an element for victualling (i.e., they are assessed on the basis that the officers will have to make their own arrangements for food), a charge will be made for their maintenance while in hospital, so long as they continue to receive full salary. A sum equivalent to the current rate of provision allowance will be deducted from their salary for each day or part of a day in hospital. Officers who have exhausted the sick leave to which they are entitled (*see* paragraph 8) will, if on the Active List be placed on half-pay, and, if on the Retired List, on unemployed pay (*see* paragraph 5).

10. *Termination of employment.*—Employment under the scheme will terminate compulsorily at the following ages:—

Higher posts	57
Senior posts	55
Junior posts	52

except in the case of officers already holding confirmed appointments in such employment on 21st November, 1929, where the Admiralty may decide to extend the age limit. Such extensions can be arranged only when suitable employment continues to be available, and each case will be considered on its merits, with due regard to the regulations formerly in force and to past practice in administering them. Under those regulations officers are subject to a maximum retiring age of 60 if they have not previously been discharged to retired pay at their own request or for some other reason; and those appointed after September, 1925, were informed that they might normally expect employment to continue to the following ages:—

Assistant Inspectors	50
Inspectors	52
Chief Inspector and Officer of the corresponding grade ..	57

Officers may be unemployed for two consecutive years, but will not be eligible for further employment subsequently.

The employment of an officer may be terminated at any time, if, in the opinion of the Admiralty, he has been guilty of misconduct, or has unsatisfactorily performed his duties, or is otherwise unsuitable, or is physically unfit for further service.

Voluntary termination of employment, which, if the officer is on the Active List, must be accompanied by retirement therefrom, may be allowed at the discretion of the Admiralty, at or after the age of 45.

The Admiralty reserve to themselves the right to terminate an officer's employment under this scheme if, having regard to the posts he has held and the necessity for providing opportunity for promotion of more junior officers, they are unable to offer him further suitable employment.

11. *Retirement from the Active List and retired pay.*—Officers on the Active List serving in any of these appointments, if not previously retired at their own request or otherwise, will be placed on the Retired List on reaching the age for compulsory retirement under the regulations applicable to officers on the general Active List, but such retirement will not necessitate termination of their employment.

Officers whose employment under this scheme (otherwise than on probation) is finally terminated for any cause while on the Active List will be placed on the Retired List at once with the rate of retired pay for which they are eligible under the regulations applicable to officers retired from the general Active List. Officers whose services are finally terminated under paragraph 10, either after two consecutive years of unemployment, or on account of unsatisfactory performance of their duties, or on account of unsuitability, will be granted the retired pay prescribed for retirement from the general Active List for non-service.

12. *Addition to retired pay of retired officers whose employment is finally terminated after retirement from the Active List.*—Officers whose employment is finally terminated after their retirement from the Active List may be granted, in addition to the retired pay earned by their service prior to retirement, an increase in retired pay in respect of their subsequent service calculated, irrespective of the appointment held, under the following regulations:—

I. Except as provided in Clause III below officers whose services are terminated—

(*a*) otherwise than for misconduct after ten or more years' service subsequent to their retirement, or

(*b*) after less than ten years' service subsequent to their retirement either at their own request, or for unsuitability, or for unsatisfactory performance of their duties,

may be granted an addition to retired pay, the rate of which will be calculated at the rate of one-sixtieth of the salary of the appointment held immediately prior to discharge for each complete year of their service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued.

II. Except as provided in Clause III below, officers whose services are terminated otherwise than for misconduct or any of the causes mentioned in Clause I (*b*) of this rule, and after less than ten years' service subsequent to their retirement, may be granted an addition to retired pay, the rate of which will be calculated at the rate of one-fiftieth of the salary of the appointment held immediately prior to discharge for each complete year of service after retirement, excluding any periods for which unemployed pay under paragraph 5 above may have been issued, provided, however, that the addition to retired pay shall in no case exceed one-sixth of the salary of the appointment held immediately prior to discharge.

III. An officer who on or after 1st April, 1919, has been retired from the Active List of the Royal Navy or Royal Marines with a special rate of retired pay higher than that permissible under the ordinary regulations applicable to officers on the general Active Lists at the date of retirement for an officer of like age, rank and service, will not, on the final termination of his employment, receive retired pay and addition to retired pay in excess of the greater of the two following sums :—

14. *Rank on the Retired List.*—Officers who on retirement hold, or who may subsequently be appointed to, a Higher Post under these regulations may, at the discretion of the Admiralty, be granted the rank or equivalent rank of Captain, R.N., or the rank of Colonel, R.M., on the Retired List, and, similarly, officers who on retirement hold, or who may subsequently be appointed to, a Senior Post under these regulations may, at the discretion of the Admiralty, be granted the rank or equivalent rank of Commander, R.N., or the rank of Lieutenant-Colonel or Major, R.M., on the Retired List.

2. *Retired and Emergency List Officers re-employed while the present emergency continues—*

Pay and Allowances.

(*a*) Retired Flag Officers and Officers of equivalent rank will receive pay of the rank in which they are appointed to serve, together with allowances appropriate to that rank. Where appointed to serve in a rank below Flag rank, they will receive the maximum rate of pay in the rank in which serving. (i) Officers who were *placed* on the Emergency List *before* 1st November, 1930, including those who have been or may in future be promoted to the substantive rank or acting rank of Lieutenant-Commander and relative ranks), will, for the time being, receive a bonus of 25 per cent. on pay (i.e. pay without additions or allowances). It is contemplated, however, that payment of this bonus will be brought to an end at some date to be fixed in the future. This bonus is not payable to Emergency List Officers who have been or may be exceptionally promoted since being called out to the acting or substantive ranks of Commander or Captain (and relative ranks) after the date of such promotion.

(iv) An Officer awarded disability retired pay under the provisions of Schedule II of the above-mentioned Order-in-Council, or under corresponding provisions of any subsequent Order-in-Council, will continue in receipt of such disability retired pay.

(v) Disability retired pay and disability additions to service retired pay which have been awarded on a temporary basis only, will be liable to cessation or reduction at Admiralty discretion during re-employment.

Such Officers may also be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List, provided that such special promotion does not extend to the granting of Flag rank or of any equal relative rank. As a rule, however, such step in rank will not be granted until the Officer has ceased re-employment.

7. *Instruction.*—(a) Retired Officers who have been selected to fill appointments in time of emergency will undergo instruction as may be necessary to qualify them for the duties of the posts they will be required to take up. While undergoing such instruction they will receive in lieu of their retired pay, pay as in paras. 2 and 3 (without command money or equipment allowance), and allowances of their corresponding ranks on the

(*c*) Officers will not, however, be detailed for courses of instruction in time of peace except with their own consent.

8. *Uniform.* Officers re-employed after a break in service will receive a uniform grant of £10 towards the cost of bringing their uniform up to the prescribed scale. An additional grant may be paid to officers whose break in service is four years or more.

Officers will wear the uniform of the rank in which they serve (*see* following paragraph).

9. *Rank and Command.*—Subject to the following provisions as to the right of command, steps in rank given on or after retirement will confer the right to the title, and other advantages of the higher rank.

In cases where a step or steps in rank have been granted automatically by virtue of and in strict seniority, the Officers shall take command according to their seniority on the Retired List, subject to the conditions that Captains retired from that rank shall in no case take command over an Officer on the Active List of Flag Officers, or over one who has retired from the Active List of Flag Officers.

In other cases steps in rank given on or after retirement shall not give the right of command amongst Naval Officers, which shall be governed by the date of commission in the rank held on the Active List at the date of retirement.

(*Note.*—For regulations regarding widows' pensions, etc., including the effect of total or partial commutaion of retired pay *see* appropriate sections of the Appendix.)

(iv) Should officers' residences be at such a distance from the places at which the committee meets that the expense of going there and returning between the dates of any two consecutive meetings would be greater than that of remaining in the vicinity and receiving the pay and allowances they are entitled to whilst actually attending the committee, officers are to adopt the latter course, acquainting the president of the committee of the facts, and reporting the same to the Admiralty in forwarding their claims for payment.

(*b*) Officers on retired pay while employed on special duties under the Admiralty (except officers employed by the Hydrographer, for whom *see* clause (*f*) below), will be paid in accordance with this article, the days of employment on special service being taken as answering to those of attendance on committees.

R.N. EMERGENCY LIST.

NOTE.—*These regulations are issued for the general information of Officers on the Emergency List. It should, however, be understood that they are liable to revision, and any alteration made will be applicable in the case of all Emergency List Officers re-employed.*

OFFICERS ELIGIBLE.

1. In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency, known as the R.N. Emergency List, has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should be prepared to enrol their names on this list.

2. Officers leaving the Active List on completion of their Short Service or Extended Service engagements will, however, be placed on the List in all cases and be liable for service in war or emergency during the subsequent two or more years required by the terms of their engagement. At the end of that period they may volunteer to continue on the Emergency List, subject to the condition in paragraph 3.

3. Engineer Officers who apply under paragraph 1 above, will only be placed on the List if their profession continues to be connected with mechanical engineering. The nature of their employment or intended employment should be stated by candidates when volunteering, and also, if enrolled, once a year after their names are placed on the List. In the same manner Medical and Dental Officers will only be enrolled if they continue to practise their profession. The nature of their work should be reported annually. This rule will also apply to officers mentioned in paragraph 2 if they volunteer to serve for a further period on the Emergency List after completing their original contract.

4. Officers who volunteer to serve in an Emergency are required to write annually, on the 1st January, to the Secretary of the Admiralty, stating their address and, until they reach the age of 60, whether they are still fit to serve, otherwise their names will be removed from the List. Officers of both categories are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

5. Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

6. Any Officer who has voluntarily joined the Emergency List and subsequently withdraws will be required to resign his Commission.

7. The names of Emergency List Officers are shown in the Retired Section of the July edition of the Navy List.

CONDITIONS OF SERVICE.

8. Officers whilst enrolled are allowed to retain their Commissions. They may wear the Uniform of their rank on the Emergency List (or War Service Rank if such has been granted), subject to permission being obtained from the Admiralty. They do not receive pay, or pension, when not employed.

9. Officers selected to fill appointments to be taken up in time of war or emergency may be required to undergo such instruction as may be considered necessary to fit them for the duties they will be called upon to perform. Attendance at such courses of instruction will be under the following regulations :—

(*a*) The pay will be as under paragraph 10.

(*b*) Travelling expenses incurred in attending the courses will be allowed.

(*c*) Plain clothes may be worn, and no allowance for outfit will be given.

(*d*) Accommodation when available will be provided if desired.

10. (i) When employed, Officers will receive pay on the scale appropriate to the rank held on the Emergency List, time served on pay in that rank being reckoned for the puprose of increases of pay. The scale to be that in force at the time for corresponding Officers on the Active List. No bonus on full pay is payable.

(ii) An Officer promoted after resignation and re-employed in a rank lower than that held on the Emergency List to receive allowances at the rates appropriate to the rank in which he is serving, except that allowances for which he would be ineligible if serving in the rank held on the Emergency List, will not be payable.

(iii) An Officer re-employed in a rank lower than that last held on the Active List, will receive allowances at the rates appropriate to the last rank held on the Active List.

(iv) Neither time nor promotion after retirement will qualify for retired pay or retiring gratuity.

UNIFORM.

11. Officers who are recalled for full time service in time of national emergency will receive a uniform grant of £10 for the purpose of bringing their uniform up to scale. If the interval between their last day of paid active service(*) and their date of rejoining is four years or more, they may claim a refund of expenditure in excess of £10, necessarily incurred in bringing their outfits up to the required scale within the limit of the full value of that scale as assessed by the Admiralty.

* Terminal Leave will be regarded as "active service" for this purpose.

PROMOTIONS.

12. Officers called from the Emergency List for service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List in so far as promotion is dependent on service. In special cases, Officers may be promoted at the discretion of the Admiralty, irrespective of the regulations governing the promotion of Officers on the Active List, but such special promotion will not extend to Flag or equivalent rank and will, as a rule, only be granted on ceasing service.

ROYAL MARINES.

The foregoing rules apply to Royal Marine Officers entered on the Emergency List. Applications for enrolment should be addressed to the Commandant-General, Royal Marines, Admiralty, S.W.1.

Knights Commanders and Commanders.

4. The insignia of all Knights Commanders and of Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George, and the Indian Empire and of Commanders of the Royal Victorian Order and of the Order of the British Empire, consisting of the badge suspended from a riband round the neck, and, in the case of Knights Commanders the star, are to be worn with Nos. 1, 2, 2B, 3, 4, 8, 9 and 9A Dresses. With No. 1 Dress the riband should be worn inside the full dress collar and emerge between the hook and eye and the bottom of the collar. With No. 2 and 2b (and No. 3 when worn in the evening) Dresses, the riband should be worn outsidethe collar, but under the tie, the badge hanging as close as possible below the bow tie.

If the insignia of more than one Order be so worn, one riband and badge only is worn round the neck as described above except with No. 3 Dress (see below). The riband and badge so worn should be the senior, unless a junior or foreign badge is more appropriate to the occasion.

Other badges are worn with No. 1 Dress one below the other, each suspended from a small eye stitched inside the coat, on three inches of ribbon emerging from between the buttons of the coat, commencing between the first and second buttons on the right side of the coat. With No. 8 Dress and No. 9 Dress three ribands and badges may be worn, the senior riband being worn round the neck inside and under the collar of the tunic so that the badge hangs three quarters of an inch below the collar, other badges emerging between the buttons of the tunic, the next senior badge being one inch below the senior badge. With No. 9A Dress the senior riband and badge is worn round the neck as in No. 8 Dress.

With No. 2 Dress and No. 2B Dress, one badge is worn round the neck and all badges are worn on the breast in miniature.

With No. 3 Dress, two ribands and badges to be worn round the neck. These ribands are to be worn, except by Chaplains, with a turn-down white collar and day tie, over the tie. A wing collar and bow tie are only to be worn in the evening. The senior badge with a full size riband is to be worn immediately below the knot of the tie, the riband being worn inside the collar. The next senior badge is to be worn with a full size riband immediately below the senior badge, the lower part of the badge resting on the cross of the lapel of the coat. Chaplains will wear these badges with the clerical collar. With No. 4 Dress the senior riband and badge is worn round the neck as in No. 3 Dress.

5. With Dresses other than those mentioned in clause 4, the rules laid down in clauses 2 and 3 are to be observed.

Stars of Orders.

6. Stars of Orders are worn on the left side of the coat. When two stars are worn, they are placed one directly above the other, the star of the senior Order being in the upper position; when three stars are worn, the star of the senior Order is worn above and the stars of the two junior Orders beneath in line with each other, the star of the second Order being towards the wearer's right; but, if in this position the stars interfere with the riband, the stars of the senior Order and second Order may be worn above in line with each other, the star of the senior Order being towards the wearer's right, and the star of the third Order beneath; when four stars are worn, the star of the senior Order is worn above, the stars of the second and third Orders beneath in line with each other, the star of the second Order being towards the wearer's right, and the star of the fourth Order beneath, directly below the star of the senior Order. Not more than four are worn and the order in which they are worn is to be as prescribed in Clause 9.

With No. 3 Dress and No. 8 Dress four Stars of Orders may be worn. When only one star is worn it should be worn in the centre line of the breast pocket of the coat or tunic with the upper point not less than one inch below the lip of the pocket. When two stars are worn the upper point of the next senior star should be not less than one inch below the lower point of the senior star. When three or four stars are worn it is necessary to re-position the senior star so that the second senior star is clear of the top left-hand button of the coat of No. 3 Dress; the senior star may then be worn with its upper point half an inch above the lip of the breast pocket in order to achieve this. The method of positioning three or four stars is given above.

With No. 4 Dress and No. 9A Dress the wearing of Stars of Orders is limited to two.

Orders worn on the breast, Decorations and Medals.

7. The Badges of Companions (other than Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire) Officers and Members of Orders are to be worn, together with Decorations and Medals, with No. 1 Dress, No. 3 Dress, and No. 8 Dress.

8. With all other dresses the rules laid down in clause 3 are to be observed.

Note on Mentions in Despatches and King's Commendations.

Mention in Despatches, 1914-1919. The Emblem of bronze oak leaves denoting a Mention in Despatches during the First World War, 1914-1919, is worn on the riband of the Victory Medal. The award of this Emblem ceased as from 10th August, 1920.

Mention in Despatches, 1920-1939. The single bronze oak leaf Emblem, if granted for service in operations between the two World Wars, is worn on the riband of the appropriate General Service Medal. If a General Service Medal has not been granted, the Emblem is worn directly on the coat after any Medal ribands. See Note 11

bronze oak leaf Emblem signifying in the armed Forces and the Merchant Navy, either a Mention in Despatches, a King's Commendation for brave conduct, or a King's Commendation for valuable service in the air, if granted for service in the Second World War, 1939-1945, is worn on the riband of the War Medal, 1939-1945. If the War Medal has not been granted, the Emblem is worn directly on the coat, after any Medal ribands. See Note 11

Mention in Despatches, 1945, and Subsequently. The single bronze oak leaf Emblem, if granted for service in operations after the cessation of hostilities in the Second World War, is worn on the riband of the appropriate General Service Medal. If a General Service Medal has not been granted, the Emblem is worn directly on the coat after any Medal ribands. See Note 11

The single bronze oak leaf Emblem is also used in the Forces to denote a King's Commendation for brave conduct or a King's Commendation for valuable service in the air granted since the cessation of hostilities in the Second World War.

King's Commendation for Brave Conduct, 1939-1945, and Subsequently. The Emblem of silver laurel leaves granted to civilians, other than those in the Merchant Navy, to denote a King's Commendation for brave conduct during the Second World War, 1939-1945, is worn on the riband of the Defence Medal. When the Defence Medal has not been granted, or the award is for services subsequent to the War, the Emblem is worn directly on the coat after any Medal ribands. See Note 11

King's Commendation for Valuable Service in the Air, 1939-1945 and Subsequently. The oval silver badge granted to denote a civil King's Commendation for valuable service in the air is worn on the coat immediately below any medals or medal ribands or in civil air line uniform or the panel of the left breast pocket.

Medals awarded by Societies.

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast similarly to those on the left and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, a silver medal previously granted.

Bar for Decorations, etc.

11. Orders worn on the breast. Decorations and Medals are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing from the end furthest from the shoulder.

On the Full Dress Coat the bar must not project beyond the centre seam, and when the Orders, Decorations and Medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap, the highest showing in full.

Ribbons when Decorations, etc., are worn.

12. When Orders, Decorations and Medals are worn, ribbons of the normal size medals (e.g., 1939—45 war Medals and Naval General Service Medal) are to be of the following lengths :—

Full size	1¾-inch
Miniature	1¼-inch

When two or more Orders, Decorations and Medals are worn, the length of ribbon of those of other than normal size is to be adjusted so that the lower edges (or points of Stars) of all are in line. Ribbons of the lengths specified carry four clasps. If more than four clasps are worn, the length of the ribbon is to be regulated by there being half an inch of clear ribbon between the top edge of the ribbon and the highest clasp for full sized medals, and ⅜ of an inch for miniatures, the remaining ribbons being so regulated that the lower edges of the medals (or points of Stars) are in line with the lower edge of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribbons are mounted on a frame of which the lower edge is in line with the centre of the decorations and medals. Commencing from the lower edge of the frame each ribbon runs over the upper edge and down to the ring or clasp of the decoration or medal. The decorations and medals are stitched down to the ribbons.

Ribbons when Decorations, etc., are not worn.

13. When Orders, Decorations and Medals are not worn, the lengths of the ribbons worn are to be half an inch.

With blue uniform, the ribbons are to be sewn plain on the cloth of the uniform, without intervals. With white uniform, the ribbons are to be placed on a removable bar or bars. When the space is not sufficient to accommodate them in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed the one immediately under the other, with an interval of ¼ inch intervening between the rows, except that for officers with more than three rows of medal ribbons, the interval between the rows may be reduced to one-eighth of an inch, and it is optional for officers with more than five rows of medal ribbons to wear ribbons three-eighths of an inch in length. The ribbons are to be arranged so that they are clearly visible.

Ribbons of Orders, Decorations and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Miniatures of Orders, Decorations and Medals.

14. Miniatures of Orders, Decorations and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders, Companions and Commanders will wear on the bar, senior to all other Decorations, etc., except the Victoria Cross, and George Cross, the miniature badge of the Order, or Orders to which they belong. Only one set of miniatures need be maintained. The miniature of Companionship or Commandership will not be removed when the riband or badge is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, etc. All miniatures are to be of the approved standard size, viz., one-half the size of the full-sized Order, Decoration or Medal.

With Ball Dress, Mess Dress and White Mess Dress, miniatures are to be worn on a bar on the lapel, extending over the lapel towards the shoulder if necessary. They are not to extend beyond the lapel on the inner side.

Miniature ribbons are similarly to be worn on a bar on the lapel of Mess Undress and White Mess Undress Jackets, the lengths of the ribbons worn are to be three-eighths of an inch.

Decorations etc., with plain clothes.

15. Knights Grand Cross and Knights Commanders on all occasions when wearing the Stars of Orders will also wear a Riband and Badge.

The following are the occasions upon which Orders, Miniature decorations and medals are to be worn *with full evening dress*, viz. :—

SECTION VI.

MEDALS AND MEDAL RIBBONS

1. Medals are to be worn whenever No. 1 or No. 6 dress is worn. Medal ribbons are to be worn with Nos. 2 and 7 dresses. The wearing of medal ribbons with other dresses is optional.

Note.—Until the general re-introduction of No. 1 dress becomes practicable medals are to be worn on ceremonial occasions only by naval ratings on their best blue suits and on No. 6 dress.

2. *Medals* are to be worn on the left breast except as in (VI) below on a removable bar (vide paragraph 5) which is to be placed immediately above the top row of medal ribbons stitched to blue uniform (vide paragraph 6). On white uniform (drill tunics and jumpers) the medal bar is to be 2 inches vertically below the point of the shoulder. Medals are to be worn " obverse " outwards (i.e., with the head of the Sovereign showing) in the following order, commencing with the end farthest from the shoulder :—

(i) British decorations in order of seniority (vide Uniform Regulations, Officers).
(ii) British medals as directed in Uniform Regulations, Officers, with war medals in order of date.
(iii) The long service and good conduct medals and the medal for good shooting.
(iv) Foreign decorations in order of date of award.
(v) Foreign medals in order of date of award.
(vi) Medals awarded by a society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast, similarly to those on the left and on the same horizontal line.

3. When the number of medals is more than three, the medals are to overlap, the inner one being shown in full, the amount of overlap being governed by the number of medals worn and the length of the bar (vide paragraph 5).

4. (i) When Decorations and Medals are worn, ribbons of the normal size medals (e.g. 1939-45 War Medals, Naval General Service Medal and Long Service and Good Conduct Medal) are to be of the following lengths, measured from the medal bar to the top of the medal :—
(*a*) If one row of medal ribbons is worn (vide paragraph 6)—1¾-inch
(*b*) If two or more rows of medal ribbons are worn—2-inch.

(ii) When two or more Decorations and Medals are worn, the length of ribbon of those of other than normal size is to be adjusted so that the lower edges (or points of Stars) of all are in line.

(iii) If the number of clasps requires the ribbon to be longer than (*a*) or (*b*), it is to be regulated so that there is half an inch of clear ribbon between the top edge of the ribbon and the highest clasp, other ribbons being adjusted so that the lower edges of medals (or points of Stars) are in line with the lower edge of the medal having the largest number of clasps.

Note 1.—When the length of the ribbons exceeds 1¾-inches it is advisable for them to be stitched together low down.

Note 2.—When medals are worn the medal ribbons stitched to blue uniform are not to be visible and where necessary to ensure this they are to be covered by a small piece of serge attached to the medal bar.

5. Medals are to be worn on a removable bar which is to be provided at the expense of the wearer. The bar may be of any metal or material provided that the bar and buckle are wholly concealed by the ribbons. When worn on jackets (Class I and Class III uniform) the bar is to be immediately above the top row of medal ribbons, the inner medals being worn over the lapel in order to be fully visible except when a rifle is carried when they will be worn under the lapel. The length of the bar is to be as follows :—

One or two medals—according to the nature of the decorations worn.

Three, four or five medals—3¾ inch bar.

Six to eight medals—5 inch bar (but not to exceed the distance between the shoulder seam of sleeve and the inner angle of the lapel when worn with Class I or Class III jacket).

Nine or more medals—6¼ inch bar (but not to exceed the distance between the shoulder seam of sleeve and the inner angle of the lapel when worn with Class I or Class III jacket). Men of small build in Class II uniform on whom the 6¼ inch bar overlaps the angle of the collar are to wear a 5¾ inch bar.

A cloth attachment (see paragraph 6) with beckets should be sewn on No. 1 jackets and jumpers so the bar can be securely fastened. On jackets beckets to take the medal bar are to be placed on the cloth attachment immediately above the upper row of ribbons. On jumpers the cloth attachment should be 1 inch deep with beckets in the centre and sufficiently long to take the movable bar. The placing of beckets on white uniform is optional.

6. *Medal ribbons* when worn alone with blue uniform jackets or jumpers are to be arranged so that they are clearly visible and are to conform to the following rules :—

(i) Medal ribbons are to be worn on the left breast :
The position of the upper edge of medal ribbons is to be as follows :—
Jackets : On a level with the point of the lapel.
Jumpers : 4½ inches below the point of the shoulder (measured over the front of the jumper).
When more than one row of ribbons is worn, the above applies to the top row.

(ii) No row is to contain a smaller number of ribbons than the row above; the top row may consist of one ribbon only.

(iii) Medal ribbons are to be ¼ inch in length and there is to be an interval of ¼ inch between each row. The whole display is to be as symmetrical as possible about the vertical.

(iv) The ribbons in any one row are to be close together and are to be sewn to a cloth attachment which is to be stitched to the jacket or jumper. The size of the cloth attachment is to be such as to leave ¼ inch above and below the ribbons and ¼ inch between the end of the row and the side of the cloth attachment.

(v) In no case must the ribbons overlap.

NOTES.

(*a*) This issue is to be made on completion of 12 weeks in General Technical Course.

(*b*) This is the compulsory kit for men, other than signalmen and telegraphists, dressed as seamen (Class II). *See*, however, note (*i*).

(*c*) One pair of boots is to be fitted locally with metal boot protectors at Crown expense before issue. All metal protectors are to be removed from the footwear of boys when they are kitted up for sea.

(*d*) For seamen branch boys only.

(*e*) The quantities of these articles shown under "kit on discharge to sea" are to be provided at the boys' expense. The object is to ensure that the boys have some hard soap and tooth paste or tooth soap when they join their ship.

(*f*) See note (E) at the beginning of Section VIII.

(*g*) In special cases when the use of an overcoat is considered necessary the Commanding Officer may authorise its issue prior to kitting up for sea.

(*h*) Boys discharged from the Training Establishments on and after 1st October, 1950, are to receive a gratuitous issue of two white drill suits on (i) reaching the Ordinary rate or (ii) being drafted abroad, whichever is earlier. Those discharged before 1st October, 1950, were credited with the value of two white uniform suits at the training establishment and are required to take up two suits on repayment when drafted abroad.

(*i*) These articles are issued under the conditions set out in the Victualling Manual (B.R. 93 (51)), Appendix 61 (I). Boys are supplied with clews and lashings while under training in order that they may point and graft the articles before going to sea. *See* Boys' Training Instructions.

(*j*) The blue overall suit may be issued on entry at the discretion of the Commanding Officer.

(*k*) On being drafted to a ship, an additional cap, either blue or white as necessary to bring the number and/or description of caps in his kit up to the appropriate standard (*See* Section VIII, note (c)) is to be provided by the boy out of his kit upkeep allowance.

* Officers not in possession of Sword and Scabbard are not required to provide these articles for the present.

MANNER OF WEARING ORDERS, DECORATIONS AND MEDALS.

1. Orders, Decorations and Medals are to be worn in the manner laid down for Naval Officers except that :—

(i) the medal bar is to be positioned directly over any ribbons already stitched to the garment ;

(ii) miniature medals are to be worn when Naval Officers wear miniature medal ribbons Miniature medals are to be worn on the lapel of the mess jacket ½-inch below the Corps Badge.

2. *Medal Ribbons.*—When no medals are worn, ribbons ⅜ inch long are to be worn without intervals on the left breast of blue uniform, khaki drill, blue and khaki battledress.

Order of precedence of wearing is to be from right to left, starting with the top row. Normally, if the total number of ribbons does not exceed five, they are to be worn in one row, but in no case is the row to extend to the right further than the outer edge of the lapel or to the left further than ½ inch from the shoulder seam. The row is to be sewn ¼ inch above the top seam of the left breast pocket—centrally above the pocket button. With khaki drill, the ribbons are to be worn on a metal bar or bars.

When more than five ribbons are worn or where the space available does not permit five ribbons being worn in one row, any additional row or rows are to be worn above the first row, the lower row to be full. Rows of ribbons are to be ¼ inch apart, but this may be reduced if rendered necessary by the number of rows and the space available. The additional row (or rows) is to be sewn as nearly centrally above the pocket button as practicable, but it is in no case to extend beyond the ends of the bottom row.

3. *Neck Orders.*—An officer in possession of one badge is to wear it round the neck with the riband under the shirt collar and the badge over the tie. An officer in possession of badges of more than one Order is to wear the badge of the highest grade as above described, and the second badge is to be worn below the other, suspended from a riband emerging about ⅜ inch below the top button of the jacket. The riband is to be fastened by a hook to a small eye stitched inside the jacket.
